**Teaching Literature in Translation** Brian James Baer, Michelle Woods, 2022-07-29 The teaching of texts in translation has become an increasingly common practice but so too has the teaching of texts from languages and cultures with which the instructor may have little or no familiarity. The authors in this volume present a variety of pedagogical approaches to promote translation literacy and to address the distinct phenomenology of translated texts The approaches set forward in this volume address the nature of the translator's task and how texts travel across linguistic and cultural boundaries in translation including how they are packaged for new audiences with the aim of fostering critical reading practices that focus on translations as translations. The organizing principle of the book is the specific pedagogical contexts in which translated texts are being used such as courses on a single work survey courses on a single national literature or a single author and courses on world literature Examples are provided from the widest possible variety of world languages and literary traditions as well as modes of writing prose poetry drama film and religious and historical texts with the aim that many of the pedagogical approaches and strategies can be easily adapted for use with other works and traditions An introductory section by the editors Brian James Baer and Michelle Woods sets the theoretical stage for the volume Written and edited by authorities in the field of literature and translation this book is an essential manual for all instructors and lecturers in world and comparative literature and literary translation The American Biographical Novel Michael Lackey, 2016-04-07 Before the 1970s there were only a few acclaimed biographical novels But starting in the 1980s there was a veritable explosion of this genre of fiction leading to the publication of spectacular biographical novels about figures as varied as Abraham Lincoln Ludwig Wittgenstein Friedrich Nietzsche Emily Dickinson Virginia Woolf Henry James and Marilyn Monroe just to mention a notable few This publication frenzy culminated in 1999 when two biographical novels Michael Cunningham's The Hours and Russell Banks Cloudsplitter were nominated for the Pulitzer Prize and Cunningham's novel won the award In The American Biographical Novel Michael Lackey charts the shifts in intellectual history that made the biographical novel acceptable to the literary establishment and popular with the general reading public More specifically Lackey clarifies the origin and evolution of this genre of fiction specifies the kind of truth it communicates provides a framework for identifying how this genre uniquely engages the political and demonstrates how it gives readers new access to history **Biofiction** Michael Lackey, 2021-07-06 Biofiction An Introduction provides readers with the history origins evolution and legitimization of biofiction suggesting potential lines of inquiry exploring criticisms of the literary form and modeling the process of analyzing and interpreting individual texts Written for undergraduate and graduate students this volume combines comprehensive

coverage of the core foundations of biofiction with contemporary and lively debates within the subject The volume aims to confront and illuminate the following questions When did biofiction come into being What forces gave birth to it How does it uniquely function and signify Why has it become such a dominant aesthetic form in recent years This introduction will give readers a framework for evaluating specific biofictions from writers as varied as Friedrich Nietzsche George Moore Zora Neale Hurston William Styron Angela Carter Joyce Carol Oates and Colm T ib n thus enabling readers to assess the value and impact of individual works on the culture at large Spanning nineteenth century origins to contemporary debates and adaptations this book not only equips the reader with a firm grounding in the fundamentals of biofiction but also provides a valuable guide to the uncanny power of the biographical novel to transform cultural attitudes perspectives and beliefs
