Heavy Duty Attitude Iain Parke, 2024-05-21 I liked your book he said as we shook hands across the table Well thanks I answered guardedly as I slid onto the bench seat opposite him and sat down It was around three months since it had come out and so just coming up to about a year since his election You mean the one that just about stopped short of saying that you killed him I asked or that you at least had him killed Yes he nodded with a smile on his wolfish face I particularly liked that part Iain had written a book about The Brethren MC and how powerful they could be He knew it was a dangerous thing to have done whether they liked it or not and one that had taken him part way into their world And now it was his turn Now a new President with big boots to fill was going to make him an offer he was going to find difficult to refuse and once in the outlaw biker's world steeped in the smells of engine oil and leather would he ever be able to get out again And as an outsider on the inside with serious trouble looming who if anyone can he trust The second instalment of the Brethren MC Trilogy a British Sons of Anarchy

Best of Enemies Iain Parke, 2024-05-05 1940 Britain's darkest hour and in the corridors of power Naval Intelligence officer Tom Belvoir hears the murmured talk of surrender Desperate times call for truly desperate measures and the ultimate sacrifice in a plot which will change the course of history 70 years later what secrets are still too dangerous to be talked about today

Heavy Duty People Iain Parke, Martin Robertson, 2024-05-18 Unleash your inner rebel with Heavy Duty People the gritty British crime thriller that redefines the genre and introduces the world to Biker Noir From the mean streets of a gang infested neighbourhood to the ruthless realm of vicious gangsters this explosive tale is a raw and unfiltered account of life on the edge Brace yourself for a heart pounding journey as you join Damage and his brothers riding their thunderous bikes across the untamed Northern fells When the coveted offer from The Brethren MC lands at Damage's club tensions rise and loyalties are tested Will they remain true to their brotherhood or will the allure of power and wealth drive them apart As the wheels spin and the wind howls long buried secrets and a history

steeped in blood soaked oil threaten to resurface The question is can they survive the storm Step into the dangerous underworld where deals are made in shadows and adrenaline flows through their veins Heavy Duty People exposes the high stakes game of supply and demand where the risks are deadly but the rewards are intoxicating You ll never look at a party snort or a club tab the same way again realizing that someone like you someone who craves the rush had to make it happen But it s not just the world of narcotics that will leave you questioning your own moral compass Reflect on the society we live in where big tobacco profits from selling death and perhaps you unknowingly contribute to their success through your investments Suddenly the line between guilt and innocence blurs Are you ready to experience a no holds barred exploration of brotherhood betrayal and the high stakes world of the two wheeled outlaws Heavy Duty People will grab you by the throat shake you to your core and leave you breathless for more Don t miss this unapologetic masterpiece that will make you question everything you thought you knew about crime fiction Prepare for the ride of your life **Die Ultimativ Biker**
