The Lottery By Beth Goobie:

The Lottery Beth Goobie, 2002-10-01 Every student at Saskatoon Collegiate knew that all the most important aspects of school life were controlled by a secret club called Shadow Council. Each fall Shadow held a traditional lottery during which a single student's name was drawn. The rest of the student body called the student the lottery winner. But Shadow Council knew better to them the winner was the lottery victim. Whatever the label the fated student became the Council's gofer delivering messages of doom to selected targets. In response the student body shunned the lottery winner for the entire year. This year's victim was fifteen year old Sally Hanson.

Hello, Groin Beth Goobie, 2006-09-01 When Dylan Kowolski agrees to create a display for her high school library she has no idea of the trouble it's going to cause for the school principal, her family, her boyfriend Cam, and his jock friends, her best friend Jocelyn, and for Dylan herself. If only her English class had been studying a normal run of the mill mundane book like *Lord of the Flies* instead of *Foxfire* things wouldn't have gotten so twisted. Then the world wouldn't have gone into such a massive funk. And then Dylan wouldn't have had to face her deepest fear and the way she was letting it run her life. *Hello Groin* presents a compelling realistic and refreshing look at teen sexuality and one girl's struggle to make the difficult choices that face her.

Fixed Beth Goobie, 2005-03-01 Nellie Joanne Kinnan is an Advanced Cadet in the Black Core Program at the Detta training center. Weapons and violence are second nature to this twelve year old but she is never exactly sure what it is she is being trained for. Nellie is a dedicated and skilled cadet. She knows she wants to serve the Goddess and the Empire. But there is so much that she doesn't understand. When a weapons training session brings her face to face with her twin Nellie's world is thrown into turmoil. Suddenly she questions her commitment to the violence that has dominated her young life. As she slowly learns to trust her rebellious twin she comes to realize that much of what she has been taught about life in both the Interior and the Outbacks is not true. Faced with this reality Nellie must find new weapons and new strength in her struggle to continue to serve the Goddess.

Bullying Elaine Slavens, 2003-10-15 Offers advice on how to deal with bullying for targets, bullies, and witnesses.

Flux Beth Goobie, 2004-04-01 Several years earlier Nellie and her mother fled the Interior and its hated security police for the Outbacks, a loose knit resistance of small cities, towns, and rural areas. Since then her mother has disappeared and twelve year old Nellie is on her own scrounging a living where she can find it. When loneliness opens her mind to flux, the ability to alter her vibratory state in the molecular field, she learns to travel to other levels of reality. When a prank by the Skulls, an unruly gang of boys, reveals several large scars on her scalp, Nellie is forced to confront the terrifying truth that her vague memories of experiments that took place while she lived in the Interior are real. Befriended by fourteen year old Deller, leader of the Skulls, Nellie learns of the disappearance of his younger brother Fen. Using her ability to travel the levels, she eventually finds Fen trapped in an experimental laboratory deep in another reality. Although Nellie is unable to free him, her discovery precipitates a series of events that lead her and Deller back to the Interior and straight into the memories she has been trying so hard to
