Emerson, the Selected Writings of Ralph Waldo Ralph Waldo Emerson, 1965-11 Standing on the bare ground my head bathed by the blithe air and uplifted into infinite space all mean egotism vanishes Emerson wrote in *Nature* his statement of the principles of transcendentalism I become a transparent eyeball *Nature* published in 1836 when Emerson was thirty three is collected here with his book of observations on the English people a famous sermon against administering communion in church a sketch of his step grandfather the eulogy he delivered at the funeral of his Concord friend and neighbor Henry David Thoreau twenty three poems and addresses lectures and essays on such subjects as slavery self reliance and organized Christianity's obsession with the person of Jesus Emerson called transcendentalism another word for idealism a hypothesis to account for nature by other principles than those of carpentry and chemistry Considered intensely radical at a time when materialism and a rigid form of Christianity were ascendant he urged Americans to enjoy an original relation to the universe These selections span Emerson's career as author and traveling lecturer and chart his evolving thought the concepts of the oversoul individualism without egotism and antimaterialism a belief in intuition independence and the splendid labyrinth of one's own perceptions

Transcendentalism: Essential Essays of Emerson and Thoreau: Literary Touchstone Classic, 2008 *The Life and Undeath of Autonomy in American Literature* Geoff Hamilton, 2013-12-17 In *The Life and Undeath of Autonomy in American Literature* Geoff Hamilton charts the evolution of the fundamental concept of autonomy in the American imaginary across the span of the nation's literary history Whereas America's ideological roots are typically examined in relation to Enlightenment Europe this book traces the American literary representation of autonomy back to its pastoral political and ultimately religious origins in ancient Greek thought Tracking autonomy's evolution in America from the Declaration of Independence to

contemporary works Hamilton considers affinities between American and Greek literary characters Natty Bumppo and Odysseus Emerson's poet and Socrates Cormac McCarthy's Judge Holden and Callicles and reveals both what American literary history has in common with that of ancient Greece and what is distinctively its own The author argues for the link with antiquity not only to understand better the boundaries between self and society but also to show profound transitions in the understanding of autonomy from a nourishing liberty of fulfillment through an aggressive agency destructive to both human and natural worlds to a sterile isolation and detachment The result is an insightful analysis of the history of individualism the evolution of frontier mythology and American Romanticism and the contemporary representation of social alienation and violent criminality
