contraband rob airships and generally make a nuisance of themselves In *Retribution Falls* a hot tip on a cargo freighter loaded with valuables seems like a great prospect for an easy heist and a fast buck Until the heist goes wrong and the freighter explodes Suddenly Frey isn't just a nuisance anymore he's public enemy number one with the Coalition Navy on his tail and contractors hired to take him down Times are tough for the crew in *The Black Lung Captain* Enter Captain Grist He's heard about a crashed aircraft laden with the treasures of a lost civilisation and he needs Frey's help to get it There's only one problem The craft is lying in the trackless heart of a remote island populated by giant beasts and subhuman monsters The Iron Jackal takes them deep into the desert heart of Samarla the land of their ancient enemies To a place where the secrets of the past lie in wait for the unwary Secrets that might very well cost Frey everything The Ace of Skulls the last stand of the Ketty Jay They've been shot down set up double crossed and ripped off They've stolen priceless treasures destroyed a ten thousand year old Azryx city and sort of accidentally blew up the son of the Archduke Now they've gone and started a civil war This time they're really in trouble *The Skein of Lament* Chris Wooding, 2004 The grip of the Weavers on Saramyr's rulers has grown ever tighter And all the while the blight that they have brought to the land grips ever more harshly This cannot last and sure enough the land is slipping into civil war In the growing chaos Kaiku and the orphaned heir Empress must fight for their destiny and their survival as Saramyr succumbs to the twisting of the Weave and the unknowable ambitions of the secretive Weavers Chris Wooding has created a vivid and turbulent world with an authentic oriental air and its own rich and ancient history Across this world plays an action packed plot of politics violence and betrayal This is an extraordinary fantasy for the 21st century **The Haunting of Alaizabel Cray** Chris Wooding, 2013-05-06 London has survived war and plague only to face a new horror the Wych Kin All kinds of demons lurk in the labyrinth of the Old Quarter and it is the task of wych hunters such as Thaniel Fox to keep them at bay Then one night he rescues a young woman who has lost her memory the beautiful and vulnerable Alaizabel Cray **The Black Lung Captain** Chris Wooding, 2010-07-29 Darian Frey is down on his luck He can barely keep his squabbling crew fed and his rickety aircraft in the sky Even the simplest robberies seem to go wrong It's getting so a man can't make a dishonest living any more Enter Captain Grist He's heard about a crashed aircraft laden with the treasures of a lost civilisation and he needs Frey's help to get it There's only one problem The craft is lying in the trackless heart of a remote island populated by giant beasts and subhuman monsters Dangerous yes Suicidal perhaps Still Frey's never let common sense get in the way of a fortune before But there's something other than treasure on board that aircraft Something that a lot of important people would kill for And it's going to take all of Frey's considerable skill at lying cheating and stealing if he wants to get his hands on it Strap yourself in for another tale of adventure and debauchery pilots and pirates golems and daemons double crosses and double double crosses The crew of the Ketty Jay are back *Malice* Chris Wooding, 2009 *Malice* is a secret horrifying comic book world if you gather the right things and say the right words you'll be taken there Seth and Kady think it's a myth until their friends

disappear **The Shadow Casket** Chris Wooding, 2023-02-16 A BAND OF REBELS A TRAITOR IN THEIR MIDST A REVOLUTION ABOUT TO BEGIN It's been three years since Aren seized the Ember Blade Three years since they struck the spark they hoped would ignite the revolution But the flame has failed to catch The Krodans have crushed Ossia in an iron grip of terror The revolution seems further away than ever Far in the north the Dawnwardens seek to unite the fractious clans of the Fell Folk and create a stronghold from which to retake their land But even if they can overcome the danger of treachery from within they still have to contend with the dreadknights Only the druidess Vika can resist these near unstoppable foes and there's only one of her But what if there was a weapon that could destroy the dreadknights A weapon of such power it could turn the tide A weapon that if it fell into the wrong hands might mean the end of all hope The Shadow Casket has returned from out of the past and it will save or damn them all The Ember Blade is Lord of the Rings for the modern generation an epic world full of history depth and adventure Ed McDonald author of *Daughter of Redwinter* *The Weavers of Saramyr* Chris Wooding, 2003 A richly textured darkly evocative fantasy set in a beautifully realised fantasy world the Saramyr trilogy tells the story of a dynasty that rules over a land being overwhelmed by evil An evil that comes from within the empire's centre a sect of magicians close to the throne intent on killing any child born with magical powers But now the empress has given birth to just such a child and revolution is brewing Akin to the works of Robin Hobb this is a hugely involving fantasy set in a world with an enticing oriental flavour **The Ace of Skulls** Chris Wooding, 2013 All good things come to an end And this is it the last stand of the Ketty Jay and her intrepid crew They've been shot down set up double crossed and ripped off They've stolen priceless treasures destroyed a ten thousand year old Azryx city and sort of accidentally blew up the son of the Archduke Now they've gone and started a civil war This time they're really in trouble

The Ember Blade Chris Wooding, 2018-09-20 The Ember Blade is hands down the best fantasy novel I've ever read Grimdark Magazine Empires rise civilisations fall and one culture comes to subsume another It's the way of the world sometimes ways of life are improved sometimes they are not But the progression of change is huge and usually unstoppable In this story the Ossian way of life is fading and the Dachen way is taking its place and Aren is comfortable with that Even when his parents are accused of treason he supports the establishment and maintains there's been some mistake which is all it takes to get himself and his best friend arrested Thrown into a prison mine they plan their escape only to be overtaken by events when they're rescued and promptly find themselves in the middle of an ambush By the time they've escaped they're unavoidably linked to Garric their unwelcome saviour and his quest to overturn the Dachen way of life If they leave Garric now they'll be arrested or killed by their pursuers If they turn him in Garric will kill them If they stay with him they'll be abetting a murderous quest they don't believe in There are no good options but Aren will still have to choose a path Designed to return to classic fantasy adventures and values from a modern perspective this is a fast moving coming of age trilogy featuring a strong cast of diverse characters brilliant set pieces and a strong character and plot driven story Readers can't
