Thompson, 2013-06-24 The Trojan War occurred more than 3 000 years ago Since then starting with Homer's epics people have been writing painting sculpting and creating music about this event and its participants This book starts with an overview of the Bronze Age when the Trojan War occurred and then follows a selection of the major literature about this war from Homer down through the ages and on to the Internet Each retelling of the Troy story is discussed in its historical context and includes a synopsis of the story itself The ways of telling the story change over time The main versions considered include Homer's *Iliad* and *Odyssey* a selection of Classical Greek Dramas especially *Iphigenia at Aulis* Virgil's *Aeneid* Chaucer's *Troilus and Criseyde* Guido delle Colonne's *History of the Destruction of Troy* Racine's *Iphigenia at Aulis* Goethe's *Iphigenia in Tauris* Shakespeare's *Troilus and Cressida* Joyce's *Ulysses* and two feminist Troy novels Sheri Tepper's *The Gate to Women's Country* and Marion Zimmer Bradley's *The Firebrand* Instructors considering this book for use in a course may request an examination copy here

READING HOMER IN TIMES OF WAR, PLAGUE AND ROUTINE ADVERSITY: A MEMOIR Lillian Corti, 2025-02-25
Reading Homer in Times of War Plague and Routine Adversity is not only a memoir about reading and teaching one of the

very greatest works of World Literature It is also a tribute to the singers of songs classical scholars translators and poets who have made this splendid work of art available to millions of enchanted listeners and readers for thousands of years In reflecting on her own experience of reading the bard Corti underscores the ways in which the meaning of the Homeric epics is enriched with every subsequent reading as the personal familial communal and cosmic events experienced by the reader augment her understanding of the texts In short this memoir celebrates the particular perceptions and illuminations which the reading of these universally revered poems has brought to one person s life *Cauldron of Changes* Janice C.

Crosby,2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers including such talents as Marion Zimmer Bradley Alice Walker Patricia Kennealy Octavia Butler Toni Morrison and Ntozake Shange are examined in this book The author links their fantastic novels to actual currents within the feminist spirituality movement addressing the genre s use of goddess worship psychic phenomena and reverence for the earth Special emphasis is given to both the struggle to provide an alternative to men centered experience and to the need to articulate ways in which feminists can achieve personal and social power **Trojan Dialogues: The Memoirs of Diomedes** Lenny Cavallaro,2023-06-10

TROJAN DIALOGUES offers a very unusual rendition of the Tale of Troy as seen through the eyes of the Greek hero Diomedes The novel reconciles the different accounts conveyed in Homer s immortal ILIAD and other classical epics with the latest archaeological evidence The author presents a somewhat more plausible interpretation of what may indeed have been historical events along with highly imaginative explanations of the thousand ships Greeks bearing gifts Helen s elopement with Paris Achilles sexual preferences and of course the Trojan horse We shall never know precisely what if anything transpired on the shores of Asia Minor during the Late Bronze Age but TROJAN DIALOGUES brings us much closer to a realistic though still highly romanticized picture Encyclopedia of Weird War Stories Paul Green,2017-06-14

Fictional war narratives often employ haunted battlefields super soldiers time travel the undead and other imaginative elements of science fiction and fantasy This encyclopedia catalogs appearances of the strange and the supernatural found in the war stories of film television novels short stories pulp fiction comic books and video and role playing games Categories explore themes of mythology science fiction alternative history superheroes and Weird War **A Dictionary of Literary Devices** Bernard

An exciting and accessible study of the genre of fantasy One of the dominant modes of storytelling in the twenty first century fantasy can mirror contemporary experiences and convey our anxieties and longings better than any representation of the merely real It is the lie that speaks truth This book addresses two central questions about fantastic storytelling first how can it be meaningful if it doesn t claim to represent things as they are and second what kind of change can it make in the world How

can a form of storytelling that alters physical laws and denies facts about the past be at the same time a source of insight into human nature and the workings of the world What kind of social political cultural intellectual work does fantasy perform in the world the world of the reader that is not that of the characters Focusing on various aspects of fantastic world building and story creation in classic and contemporary fantasy from the use of symbolic structures to the way new stories incorporate bits of significance from earlier texts this book shows how fantasy allows writers such as Michael Cunningham Hans Christian Anderson Helene Wecker C S Lewis Ursula K Le Guin Nnedi Okorafor Nalo Hopkinson George MacDonald Aliette deBodard and Patricia Wrightson to test new modes of understanding and interaction and thus to rethink political institutions social practices and models of reality **UCSF News** University of California, San Francisco,1988-07

Encyclopedia of the American Novel Abby H. P. Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this *Supernatural Fiction Writers* Richard Bleiler,2003 The Scribner Writers Series has set the standard for literary reference for more than 25 years In addition to addressing the lives and careers of important writers the articles discuss the themes and a styles of major works and place them in pertinent historical social and political concerns for today s readers Novelists playwrights essayists poets short story writers and more recently genre writers in science fiction and mystery are all expertly discussed in the more than 17 sets comprising this series To see listings of writers for any volume in this section go to the Scribner Writers Series section online at www.gale.com/scribners J K Rowling Peter Straub Anne McCaffrey these are among the many widely read authors in fantasy and horror genres covered in this addition to Scribner s 1985 two volume set Essays written by scholars yet accessible to the general reader and student treat both writers who have risen to prominence since the 1985 edition and those whose careers have continued since original coverage such as Stephen King Ursula K LeGuin and Harlan Ellison The index cumulates the index from the first two volumes *Prophets and Profits* Richard Evans,2017-09-07 This volume examines the ways in which divination often through oracular utterances and other mechanisms linked mortals with the gods and places the practice within the ancient sociopolitical and religious environment Whether humans sought knowledge by applying to an oracle through which the god was believed to speak or used soothsayers who interpreted specific signs such as the flight of birds there was a fundamental desire to know the will of the gods In many cases pragmatic concerns personal economic or political can be deduced from the context of the application Divination and communication with the gods in a post pagan world has also produced fascinating receptions The presentation of these processes in monotheistic societies such as early Christian Late Antiquity where the practice continued through the use of curse tablets or medieval Europe and beyond where the role of religion had changed radically provides a particular challenge and this topic has been little discussed by scholars This volume aims to rectify this desideratum by providing the opportunity to address questions related to the reception of Greco Roman divination oracles and prophecy in all media including literature and film Several

contributions in this volume originated in the 2015 Classics Colloquium held at the University of South Africa and the volume has been augmented with additional contributions

Her Kind Jane Cahill, 1995-11-29 Medea betrayed her father and left her homeland for the love of Jason Then when he abandoned her she murdered her children But did she And what of Clytemnestra the conniving adulteress For ten years she plotted the murder of her husband Agamemnon King of Mycenae and Conqueror of Troy How would she have told her story The Greek myths as we know them were told for men by men Yet they were the culmination of a long oral tradition in which both men and women shared Using extant ancient literary sources as her guide including the works of Homer Aeschylus Euripides and Apollodorus Jane Cahill reconstructs the stories as they might have been told to women by women These are stories of wronged women inspired women determined women tender women Medusa tells how it is to know that one look at her face will turn a man to stone to be hated and feared all the time Jocasta Queen of Thebes confesses her love for the young man who came to save her city from the Sphinx her son Oedipus Each story is accompanied by extensive notes which discuss the ancient sources explain relevant Greek concepts and customs and serve as a guide to further reading
