Intimate Merton Thomas Merton, 1999-11-03 Perhaps the *Book of Life* in the end is the book one has lived If one has lived nothing one is not in the *Book of Life* I have always wanted to write about everything That does not mean to write a book that covers everything which would be impossible but a book in which everything can go A book with a little of everything that creates itself out of nothing That has its own life A faithful book I no longer look at it as a book Thomas Merton July 17 1956 In this diary like memoir composed of his most poignant and insightful journal entries *The Intimate Merton* lays bare the steep ways of Thomas Merton's spiritual path Culled from the seven volumes of his personal journals this twenty nine year chronicle deepens and extends the story Merton recounted and made famous in *The Seven Storey Mountain* This book is the spiritual autobiography of our century's most celebrated monk the wisdom gained from the personal experience of an enduring spiritual teacher Here is Merton's account of his life's major challenges his confrontations with monastic and church hierarchies his interaction with religious traditions east and west and his antiwar and civil rights activities In *The Intimate Merton* we engage a writer's art of confession and witness as he searches for a contemporary authentic and global spirituality Recounting Merton's earliest days in the monastery to his journey east to meet the Dalai Lama *The Intimate Merton* reveals a life lived in continuous pursuit of meaning equanimity and love *The Intimate Merton* captures the essence of what makes his life journey so perennially relevant My best writing has always been in journals Thomas Merton

Thomas Merton Thomas Merton, 2015 This volume gathers together twelve essays that Thomas Merton wrote for various journals between 1947 and 1952 the years that saw the publication of his best selling autobiography *The Seven Storey Mountain* his ordination to the priesthood and his initial appointment as spiritual and intellectual guide of the young monks at the Abbey of Gethsemani The essays most of which have never been reprinted focus above all on aspects of the contemplative life but also consider the spiritual dimensions of literature and the social implications of Christian life Issued to coincide with the one hundredth anniversary of his birth this collection brings to

fruition at long last Merton's own original plan of publishing these essays as a group and so makes available a previously little recognized and underutilized resource for understanding and appreciating a crucial transitional phase in his life as both monk and writer **Thomas Merton's Encounter with Buddhism and Beyond** Jaechan Anselmo Park, 2019-03-07

Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton's role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton's self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton's contemplative spirituality and shows how Merton's legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context Thomas Merton Samuel Willard Crompton, 2013 A biography of the famous monk writer and religious thinker

Thomas Merton **Thomas Merton** Patrick F. O'Connell, 2013 Thomas Merton the Trappist monk who died in 1968 was one of the great spiritual writers of the twentieth century His published works include a hundred volumes in many genres But it was perhaps in the essay that he found his natural element Especially in the last decade of his life Merton showed in his essays an increasing willingness to dispense with pre fabricated conclusions bringing his deeply spiritual profoundly Catholic sensibility to bear on matters beyond the usual religious and monastic milieu This volume is the first to provide a broad cross section of Merton's work as an essayist collecting pieces that reflect characteristic examples of his astonishing output and the fantastic breadth of his interests The 33 essays collected here range from interreligious dialogue to racial justice from the wisdom of the desert fathers to the novels of Faulkner and Camus from the nuclear threat to the philosophy of solitude and throughout the centrality of the Christian mystery to authentic human identity **Through a Glass Darkly** Holly Faith Nelson, Lynn R. Szabo, Jens Zimmermann, 2011-01-19 Suffering the sacred and the sublime are concepts that often surface in humanities research in an attempt to come to terms with what is challenging troubling or impossible to represent These intersecting concepts are used to mediate the gap between the spoken and the unspeakable between experience and language between body and spirit between the immanent and the transcendent and between the human and the divine The twenty five essays in *Through a Glass Darkly* Suffering the Sacred and the Sublime in Literature and Theory written by international scholars working in the fields of literary criticism philosophy and history address the ways in which literature and theory have engaged with these three concepts and related concerns The contributors analyze literary and theoretical
