my father or my mother or indeed both of them as they were in duty both equally bound to it had minded what they were about when they begot me had they duly considered how much depended upon what they were then doing that not only the production of a rational Being was concerned in it but that possibly the happy formation and temperature of his body perhaps his genius and the very cast of his mind and for aught they knew to the contrary even the fortunes of his whole house might take their turn from the humours and dispositions which were then uppermost Had they duly weighed and considered all this and proceeded accordingly I am verily persuaded I should have made a quite different figure in the world from that in which the reader is likely to see me Believe me good folks this is not so inconsiderable a thing as many of you may think it you have all I dare say heard of the animal spirits as how they are transfused from father to son and by treading the same steps over and over again they presently make a road of it as plain and as smooth as a garden walk which when they are once used to the Devil himself sometimes shall not be able to drive them off it
