As Doha Said باها تاهر, 2008 In Egypt a new era has dawned but the dawn has taken an ominous turn President Gamal Abdel Nasser has just proclaimed the first in a series of nationalization decrees the stock exchange has shut down and its parking attendant Sayyid is staring at penury Across the street the office of the Ministry s Supervisory Board of Administrative Organization is engulfed in an eerie silence and the narrator one of the two remaining fulltime occupants of that nearly defunct government office has fallen desperately in love with the other Doha forceful erudite and a complete enigma The narrator helps Sayyid find a job in the janitorial staff of the Ministry and then watches in amazement as he pursues avenues for career advancement and political participation that would never have been open to him before the Revolution avenues that the narrator himself has lost interest in And soon he is thrown much closer together with Doha a ministerial study grant comes through that enables them to attend an administrative training program in Rome and there Doha reveals to him other aspects of her mysterious nature including a spiritual bond to the Egyptian goddess Aset before suddenly and inexplicably cutting him adrift As the narrator struggles with rejection we glimpse some of the ills of the post revolutionary order suppression of freedoms corruption ideological witch hunts a disastrous intervention in Yemen But As Doha Said is less about a revolution s dreams turned sour than about awakening A sophisticated richly textured novel it combines a realistic weft of events and deftly depicted characters that undergo subtle mutations and indeed amputations with a warp of mythical and historical iconography a weave that allows the author to explore such themes as apathy and despair courage and self sacrifice ambition and temptation disillusionment and political faith and above all commitment and betrayal and to lift them to a universal almost metaphysical level

The Polymath Bensalem Himmich, 2009 This award winning historical novel deals with the stormy life of the outstanding Arab philosopher Ibn Khaldun using historical sources and particularly material from the writer s works to construct the personal and intellectual universe of a fourteenth century genius The dominant concern of the novel the uneasy relationship between intellectuals and political power between scholars and authority addresses our times through the transparent veil of history In the first part of the novel we are introduced to the mind of Ibn Khaldun as he dictates his work to his scribe and interlocutor The second part delves into the heart of the man and his retrieval of a measure of happiness and affection in a remarriage after the drowning of his first wife and their children at sea Finally we see Ibn Khaldun as a man of action trying to minimize the imminent horrors of invading armies and averting the sack of Damascus by Tamerlane only to spend his last years lonely and destitute having been fired from his post

as qadi his wife having gone to Morocco and his attempts at saving the political situation having come to nil The elusive simplicity and fluency of style manage to entertain and instruct at once We learn as we read about Ibn Khaldun his insights into history and historiography his views of the rise and fall of civilizations the principles of his sociological thinking along with intimate aspects of his life including his tragic losses and his attitude toward women We also learn of his response to the major crisis of his time the Tatar invasion of the Mashriq In short Ibn Khaldun the distant and formidable figure is humanized thanks to this novel Naguib Mahfouz Medal Award Committee

Heads Ripe for Plucking Maḥmūd Wardānī, 2008 An Arab tyrant once infamously declared I see heads that are ripe for plucking In Mahmoud Al Wardani s novel of tyranny and oppression an impaled head seeks solace in narrating similar woes it sustained in previous incarnations Beheadings both literal and metaphorical torture murder decapitation brainwashing losing one s head are the subject of the six stories that unfold The narrative takes us from the most archetypal beheading in Arabo Islamic history that of al Husayn the grandson of the Prophet Muhammad via a crime passionel the torture of Communists in Nasser s prisons the meanderings of a Cairene teenager unwittingly caught in the bread riots of 1977 a body dismembered in the 1991 Gulf War and a bloodless beheading on the eve of the new millennium into a dystopic future where heads are periodically severed to undergo maintenance and downloading of programs

Nile Sparrows Ibrahim Aslan, 2009 Set in the author s own Nile side neighborhood of Warraq Aslan s second novel the first to be translated and published in English chronicles the daily rhythm of life of rural migrants to Cairo and their complex webs of familial and neighborly relations over half a century It opens with the mysterious disappearance of the tiny grandmother Hanem who is over 100 years old and is last seen by her daughter in law Dalal Dalal does not have the heart to tell Hanem that her grown children Nargis and Abdel Reheem have both been dead for some time Her grandson Mr Abdalla who has children of his own and not a few flecks of gray in his hair reluctantly sets out for their home village to search for her embarking on a bittersweet odyssey into his family s past and a confrontation with his own aging In an elliptical narrative Aslan limns a series of vignettes that mimic the workings of memory moving backward and forward in time and held together by a series of

recurrent figures and images There is Abdalla s father the tragic al Bahey Uthman his quirky and earthy uncle Abdel Reheem and his sweet mother Nargis who dies with her simplest desires unfulfilled Aslan s moving portrait of the quotidian dramas that constitute the lives of ordinary Egyptians is untainted by populist pretensions or belittling romanticism and full of the humor and heartbreaking pathos that have become trademarks of the author s style **Drumbeat** Muḥammad Bisāṭī,2010

In a fictional Gulf country with its gleaming glass towers and imported greenery the routine of day to day life is suddenly interrupted when the national football team qualifies for the World Cup The Emir issues an edict ordering all native Emiratis to travel to France to support the team leaving the country to the care of its imported labor How do they handle such newly found freedom As though steered by a perverse blend between Dante and Scheherazade we descend layer by layer beneath the fa ade of modernity from the colorful multilingual throngs rejoicing for the Emirati team to the hierarchies that underpin them from the luxurious gardens and swimming pools into the darker secrets of the bedroom from the rigid and inhibiting strictures of the present to a remote age of innocence Three narratives interweave to form a tight and thought provoking examination of the psychology of control Drumbeat received the Sawiris Foundation Award for Egyptian Literature
