Oversight Hearings on Library Services and Construction Act United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education, 1984 Boudica and Her Stories Carolyn D. Williams, 2009 This is the first book to concentrate exclusively on texts about Boudica and to cover the full chronological range from the first surviving historical account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006 All our knowledge of the ancient British queen Boudica and her ferocious yet ultimately unsuccessful rebellion against the Romans is derived from a few accounts in ancient Greek and Latin Yet they have inspired a flood of history fictional narrative drama and poetry and there is no indication that the process has ended This study illuminates and celebrates the rich variety generated by the creative tensions between writers knowledge and their individual tastes beliefs and political or artistic aims and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern Book Jacket **The Subversion of Romance in the Novels of Barbara Pym** Ellen M. Tsagaris, 1998 Points out how British novelist Pym 1913-80 parodied the conventions of romance novels by deflating characters hyperbole and exaggeration or emphasizing meticulously the mundane elements of everyday life Shows how she used food clothes heroin and hero characterizations and marriage customs to portray her characters and perhaps her own skepticism about the whole business Paper edition 764 0 18 95 Annotation copyrighted by Book News Inc Portland OR
