The Every Boy By Dana Adam Shapiro:

The Every Boy Dana Adam Shapiro, 2005 A teenager who dies under suspicious circumstances leaves behind a strange journal filled with bleak but humorous musings on life as well as a father who must sift through these recollections in search of answers *You Can Be Right (or You Can Be Married)* Dana Adam Shapiro, 2013-09-17 Fast approaching the age when bachelors go from seeming curious to seeming weird filmmaker Dana Adam Shapiro set out across the country with a tape recorder in search of answers to age old questions Why does love die and what can we do to prevent it from happening It all began as a self help journey in the purest sense A serial monogamist for more than two decades Shapiro wanted to know why the honeymoon phase of his relationships never lasted until the actual honeymoon Believing that more can be learned from failure than from success he spent years interviewing hundreds of divorced people living vicariously through the romantic tragedies of others hoping to learn how to avoid them in his own love life The result is a timely treasure trove of marital wisdom Shockingly intimate universally relevant and profoundly personal this is a page turning voyeuristic peek into the private lives of our friends and neighbors as well as a hopeful investigation of modern love that is as racy as it is revelatory
