The Evolution Of Ethan Poe By Robin Reardon:

The Evolution of Ethan Poe Robin Reardon, 2011-01-28 In the space of a few months sixteen year old Ethan Poe's life has become a complicated mix of facts theories and hypotheses Things he knows beyond doubt his parents are divorcing his older brother Kyle is exhibiting alarming behavior and his best friend is turning into a spiritual fanatic Then there are the shifting uncertainties including his feelings toward his father and his desire to both blend in and stand out in his rural Maine hometown Most pressing of all there's his attraction to Max Modine a boy he wants to know much better than he does Despite Ethan's initial reluctance he gets pulled into a heated and sometimes violent conflict about whether to introduce Intelligent Design into science classrooms Family and friends are turning against each other school is a battleground and Ethan will have to take a stand Because some facts are irrefutable and some bonds unbreakable even when they can't be seen And once Ethan finds the courage to become who he was meant to be the outcome could be absolutely extraordinary Praise for the novels of Robin Reardon Stirring thoughtful and convincing Publishers Weekly on Thinking Straight A compelling story well worth your time Reardon is an author to watch Bart Yates author of The Brothers Bishop on A Secret Edge

The Revelations of Jude Connor Robin Reardon, 2014-04-30 Jude Connor's rural Idaho hometown is a place of strong values and high expectations For those who fit into the local church's narrow confines there's support and fellowship For those who don't there's ostracism in this life and certain damnation in the next Jude wants desperately to be saved to believe with the fervor of Reverend Amos King whose sermons are filled with brimstone and righteousness Yet it hasn't been easy It's not just the forbidden friendship with his unconventional classmate Pearl or the difficulties of being orphaned and in his older brother's care There are the restrictions governing how congregants should behave the whispers that follow Gregory Hart a man who cares for his wheelchair bound sister and offers guidance Jude sorely needs And there's Jude's burgeoning need to decide for himself how to live when to question and who to love When loyalty doesn't help Jude overcome his own temptations he must confront the truth behind the church's facade and his willingness to follow his own path even if it leads him far from everything he's known Praise for the novels of Robin Reardon Mesmerizing A rare book that will appeal to young adults and adult readers alike Publishers Weekly on The Evolution of Ethan Poe A compelling story well worth your time Reardon is an author to watch Bart Yates on A Secret Edge

On Chocorua Robin Reardon, 2019-03-01 A mountain A blizzard A young man new to hiking and to love making mistakes in both First year of college A great time to re-invent yourself Nathan Bartlett takes the opportunity very seriously maybe a little too seriously And he makes mistakes His mistakes Falling for a straight guy who reminds him of his beloved older brother Getting too invested in the substance abuse disorders of two other students And climbing a mountain in a snowstorm for all the wrong reasons But he also develops friendships that will be his for life He faces his inner demons and comes up with a plan And he realizes that answers to important questions are seldom waiting on the surface but must be worked for or struggled for or suffered for and sometimes all three Nathan is a trailblazer on his own journey His success will be measured not by how well he follows someone else's path but by whether he can forge his own This first book in a series of three novels gets Nathan started on a journey that will teach him about himself about life and about love Walk with him
