The Ex Games Expert Book Reviews, J.

S. Cooper, Helen Cooper, 2014-03-10 WARNING This is not the actual book The Ex Games 3 by J S Cooper Helen Cooper Do not buy this Review if you are looking for a full copy of this great book This review of The Ex Games 3 helps readers understand the relationships between the characters their lies and the resultant problems This review is crucial if you wish to understand the plot intricacies and the inner working of the personalities of Katie and Brandon as they mature and change The Ex Games 3 does not read well as a standalone work In order to appreciate the dual themes of honesty and maturity it is imperative that you read the series first two installments Brandon Hastings and Katie Raymond are dealing with the lies they have told each other in The Ex Games 3 lies that tore their relationship apart seven years ago when Katie kept a damaging secret from Brandon Not only do they have to deal with those lies but others enter to try to tear their relationship apart as well Additionally they both have secrets in their past that must be shared The Ex Games 3 is considered an erotic novella but it is much more The plot that weaves its way through the three books grabs readers involving them in the complex lives of two dysfunctional human beings as they attempt to accept the necessity of honesty in a relationship that frequently seems doomed At the end however the reader joins Katie and Brandon in accepting an inevitable conclusion that will not disappoint
