National Library Service for the Blind and Physically Handicapped,1978 **Books in Print Supplement** ,1977 Relentless Pursuit Alexander Kent,2009-05-27 December 1815 Adam Bolitho s orders are unequivocal As captain of His Majesty s frigate Unrivalled of forty six guns he is required to repair in the first instance to Freetown Sierra Leone and reasonably assist the senior officer of the patrolling squadron But all efforts of the British anti slavery patrols to curb a flourishing trade in human life are hampered by unsuitable ships by the indifference of a government more concerned with old enemies made distrustful allies and by the continuing belligerence of the Dey of Algiers which threatens to ignite a full scale war For Adam also there is no peace Lost in grief and loneliness his uncle s death still unavenged he is uncertain of all but his identity as a man of war The sea is his element the ship his only home and a reckless perhaps doomed attack on an impregnable stronghold his only hope of settling the bitterest of debts *The Seaforth Bibliography* Eugene Rasor,2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side *English/British Naval History to 1815* Eugene L. Rasor,2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed
