**Out of the Shadow** Julie Gibbings, Heather Vrana, 2020-07-20 Guatemala s Ten Years of Spring 1944 1954 began when citizens overthrew a military dictatorship and ushered in a remarkable period of social reform This decade of progressive policies ended abruptly when a coup d tat backed by the United States at the urging of the United Fruit Company deposed a democratically elected president and set the stage for a period of systematic human rights abuses that endured for generations Presenting the research of diverse anthropologists and historians Out of the Shadow offers a new examination of this pivotal chapter in Latin American history Marshaling information on regions that have been neglected by other scholars such as coastlines dominated by people of African descent the contributors describe an era when Guatemalan peasants Maya and non Maya alike embraced change became landowners themselves diversified agricultural

production and fully engaged in electoral democracy Yet this volume also sheds light on the period s atrocities such as the US Public Health Service s medical experimentation on Guatemalans between 1946 and 1948 Rethinking institutional memories of the Cold War the book concludes by considering the process of translating memory into possibility among present day urban activists *Princeton Review AP U.S. History Premium Prep, 25th Edition* The Princeton Review,2025-08-05 PREMIUM PRACTICE FOR A PERFECT 5 WITH THE BESTSELLING AP U S HISTORY BOOK ON THE MARKET Ace the newly digital AP U S History Exam with this comprehensive study guide Includes 6 practice exams with answer explanations timed online practice and thorough content review Techniques That Actually Work Tried and true strategies to help you avoid traps and beat the test Tips for pacing yourself and guessing logically Essential tactics to help you work smarter not harder Everything You Need for a High Score Updated to address the new digital exam Detailed coverage of the short answer and source based multiple choice questions In depth guidance on the document based and long essay questions Online digital flashcards to review core content plus study plans and more via youronline Student Tools Premium Practice for AP Excellence 6 full length practice tests 3 in the book 3 online with complete answer explanations Online tests provided as both digital versions with timer option to simulate exam experience online and as downloadable PDFs with interactive elements mimicking the exam interface Pacing drills to help you maximize points Practice drills at the end of each content review chapter plus step by step walk throughs of sample exam questions [Global Studies Africa Vol Six Se 1997c.](#) ,1950 Using a highly personalized narrative writing style hands on activities and primary source materials this program is designed to help students learn about the geography history cultures economies and politics of the major world regions Reading Level 6 7 Interest Level 7 10 **Celebrity Colonialism** Robert Clarke,2020-06-12 Celebrity Colonialism brings together studies on an array of personalities movements and events from the colonial era to the present and explores the intersection of discourses formations and institutions that condition celebrity in colonial and postcolonial cultures Across nineteen chapters it examines the entanglements of fame and power fame in colonial and postcolonial settings Each chapter demonstrates the sometimes highly ambivalent roles played by famous personalities as endorsements and apologists for antagonists and challengers of colonial imperial and postcolonial institutions and practices And each in their way provides an insight into the complex set of meanings implied by novel term celebrity colonialism The contributions to this collection demonstrate that celebrity provides a powerful lens for examining the nexus of discourses institutions and practices associated with the dynamics of appropriation domination resistance and reconciliation that characterize colonial and postcolonial cultural politics Taken together the contributions to Celebrity Colonialism argue that the examination of celebrity promises to enrich our understanding of what colonialism was and more significantly what it has become *China, Trust and Digital Supply Chains* Warwick Powell,2022-09-01 China Trust and Digital Supply Chains presents a critical reflection on blockchain technologies in the context of their adoption in China and the world that China is engaged in and

shaping Approaching the issues of blockchain technology adoption and development on China's own terms is critical if policy makers and others are to make effective sense of one of the key dynamics shaping the next few decades of the global landscape The work challenges the trust trope that dominates much discussion of blockchain technology's application It argues contrary to the predominant trust trope that blockchain is not about trust at all It shows that China's re-imagining of the 21st century global order is premised on driving intensified cross border economic interactions without the presupposition of trust and blockchain technology makes that possible It also explores the paradox of technological decentralisation being taken up with vigour by a centralist polity the role of blockchain technology as a critical condition of existence for the successful globalisation of China's digital currency initiative and the need to devise governance institutions that are multilateral in nature to reflect the multi polar nature of decentralised information systems with domestic and cross border permutations This book is of significant interest to readers of political economy public policy blockchain technology and Chinese studies
