

FOREWORD

This manual contains an introduction designed to help you learn the structure of this manual and procedures for its proper use. Information and methods of its proper use are contained in the manual. Other information contained in this manual is not included.

Read this manual carefully and thoroughly before you start with the motorcycle and its maintenance. Use this manual as well as other manuals and guides for proper inspection and maintenance.

This manual will help you know the motorcycle but not as fast as you can obtain your satisfaction of use and stable service.

- This manual has been prepared on the basis of the latest specifications at the time of publication. If modifications have been made since this manual was prepared, they will be reflected in the next edition of the manual and the latest information.
- Instructions in this manual are given to show the best practices of operation and work procedures. They may not represent the only or the best way to do the work.
- This manual is written for persons who have enough knowledge, skills and tools, including special tools, for working on their motorcycles. If you do not have the proper knowledge and tools, ask your authorized Suzuki motorcycle dealer to help you.

WARNING

Improper use of tools or equipment with out the proper tools and equipment may result in injury to the operator. The operator should be trained in the use of the tools and equipment. The operator should be trained in the use of the tools and equipment.

IMPORTANT

All motorcycles have motorcycles with engine displacement of 150cc or greater are subject to European Union (EU) emissions regulations. These regulations set specific standards for exhaust emissions (carbon monoxide, hydrocarbons, nitrogen oxides) and particulate emissions. This manual includes specific information required to properly inspect and service the engine in accordance with all EU regulations. It is strongly recommended that the Chapter on Emission Control, Periodic Servicing and Lubrication be thoroughly reviewed before any type of service work is performed.

Further information concerning the EU emissions regulations can be found in the EU Emissions Control System (ECS) manual. This manual is available from your authorized Suzuki dealer.
