

France Since 1918 Second Edition

D.G. Williamson

France Since 1918 Second Edition:

Britain and Empire, 1880-1945 Dane Kennedy, 2014-07-22 Britain and Empire 1880 1945 traces the relationship between Britain and its empire during a period when the two spheres intersected with one another to an unprecedented degree The story starts with the imperial expansion of the late nineteenth century and ends with the Second World War at the end of which Britain was on the brink of decolonisation The author shows how empire came to figure into almost every important development that marked Britain's response to the upheavals of the late nineteenth century and first half of the twentieth century He examines its influence on foreign policy party politics social reforms cultural practices and national identity At the same time he shows how domestic developments affected imperial policies Written in an engaging and accessible manner this book integrates British and imperial history in a single narrative provides a useful synthesis of recent historical research in the area analyses topics ranging from ideology and culture to politics and foreign affairs contains a chronology glossary who's who and guide to further reading Britain and Empire 1880 1945 provides an up to date accessible survey ideal for students coming to the subject for the first time

The American Civil War, 1861-1865 Reid

Mitchell, 2013-11-14 The American Civil War caused upheaval and massive private bereavement but the years 1861 1865 also defined a great nation This book provides a concise introduction to events from the secession to the end of the war It focuses on the military progress of the war Union and Confederate politics social change particularly the emancipation of North American slaves The social history associated with the war is dealt with alongside the familiar military and political events This inclusive approach allows the reader to consider equally the history of men and women blacks and whites in the conflict It deals with both the Union and the Confederacy integrating the latest literature on the war and society into a clear account The book concludes with an assessment of emancipation the rebuilding of the economy and the war's consequences An array of primary documents supports the text together with a chronology glossary and Who's Who guide to key figures

Fascism and the Right in Europe 1919-1945 Martin Blinkhorn, 2014-07-22 This new text places interwar European fascism squarely in its historical context and analyses its relationship with other right wing authoritarian movements and regimes Beginning with the ideological roots of fascism in pre 1914 Europe Martin Blinkhorn turns to the problem torn Europe of 1919 to 1939 in order to explain why fascism emerged and why in some settings it flourished while in others it did not In doing so he considers not just the major fascist movements and regimes of Italy and Germany but the entire range of fascist and authoritarian ideas movements and regimes present in the Europe of 1919 1945

The French at War, 1934-1944 Nicholas Atkin, 2014-07-22 The years 1934 to 1944 remain the most contentious and dramatic decade in modern French history Covering the Occupation the Vichy regime the Resistance and collaboration Nick Atkin provides an important introduction to this key period Accessible and concise the book offers a wide ranging synthesis of key themes and events Looking ahead to the present day the book also examines how the French establishment and public have coped with the

legacy of Vichy and explains why the occupation is still ever present in French politics and everyday life

The United States and Europe in the Twentieth Century David Ryan, 2016-02-17 The relationship between the US and Europe in the 20th century is one of the key considerations in any understanding of international relations international history during this period David Ryan first sets the context by looking at the trends and traditions of America s foreign relations in the 19th century and then considers the changing nature of America s vision of Europe from 1900 to the present The book examines America s response to and involvement in the two World Wars including the structure of international power after the First World War and American reaction to the rise of Nazi Germany American European relations during the Cold War 1945 1970 are discussed and Ryan considers the contentious debate that America was trying to establish an empire by invitation Finally the book looks at the ever increasing unification of Europe and how this has affected America s role and influence

India 1885-1947 Ian Copland, 2014-07-10 The establishment of the Indian National Congress in 1885 marked a turning point in modern South Asian history At the time few grasped the significance of the event nor understood the power that its leader would come to wield From humble beginnings the Congress led by Gandhi would go on to spearhead India s fight for independence from British rule in 1947 it succeeded the British Raj as the regional ruling power Ian Copland provides both a narrative and analysis of the process by which Indians and Pakistanis emancipated themselves from the seemingly iron clad yoke of British imperialism In so doing he goes to the heart of what sets modern India apart from most other countries in the region its vigorous democracy

The Truman Years, 1945-1953 Mark S. Byrnes, 2014-07-30 The Truman Years is a concise yet thorough examination of the critical postwar years in the United States Byrnes argues that the major trends and themes of the American history have their origins during the presidency of Harry S Truman He synthesizes the recent Truman literature and explains the links between domestic U S political and social trends and cold war foreign policy

Eastern Europe Since 1970 Bulent Gokay, 2015-12-22 From the hardening grip of Soviet domination under Brezhnev to the collapse of communism and its aftermath Bulent Gokay provides the essential introduction to Eastern Europe in the last quarter of the twentieth century The Soviet invasion of Czechoslovakia in 1968 spelt the end of reformist communism and the tightening of Soviet control throughout Eastern Europe In spite of this several countries within the Soviet Bloc managed to retain varying degrees of independence over the next two decades Focusing on the struggle towards economic and social modernisation in the region and the competing influences of East and West in a dangerous Cold War Bulent Gokay shows how individual circumstances and diverse national characteristics made a uniform application of the Soviet model impossible and charts the growing resistance to domination and the momentous events which finally toppled Soviet power in the region

Britain and the French Revolution Clive Emsley, 2014-10-13 The French Revolution catapulted Europe into a new period of political upheaval social change and into the modern era This book provides a concise introduction to the impact of the French Revolution on Britain and to the ways in which this impact has been assessed by historians The book is organised

thematically It begins with a survey of the ideological debate sparked off by the Revolution discussing in particular the work of people such as Burke Paine Spence and Wollstonecraft From here it presents an exploration of the Revolution s impact on Parliamentary politics The growth of radicalism and loyalism The way in which French ideas influenced Irish aspirations to generate rebellion The third main section of the book focuses on the causes and course of Britain s war with Revolutionary France and on the effects of the war on the home front most notably the recurrent serious food shortages

American Abolitionists Stanley Harrold,2014-09-25 This book the latest in the Seminar Studies in History series examines the movement to abolish slavery in the US from the origins of the movement in the eighteenth century through to the Civil War and the abolition of slavery in 1865 Books in this Seminar Studies in History series bridge the gap between textbook and specialist survey and consists of a brief Introduction and or Background to the subject valuable in bringing the reader up to speed on the area being examined followed by a substantial and authoritative section of Analysis focusing on the main themes and issues There is a succinct Assessment of the subject a generous selection of Documents and a detailed bibliography Stanley Harrold provides an accessible introduction to the subject synthesizing the enormous amount of literature on the topic American Abolitionists explores the roles of slaves and free blacks in the movement the importance of empathy among antislavery whites for the suffering slaves and the impact of abolitionism upon the sectional struggle between the North and the South Within a basic chronological framework the author also considers more general themes such as black abolitionists feminism and anti slavery violence For readers interested in American history

Germany from Defeat to Partition, 1945-1963 D.G. Williamson,2014-10-13 This book covers the years 1945 63 which witnessed the total defeat of the Third Reich the occupation and evolution of the German Federal Republic and German Democratic Republic The impact of the occupation is analysed as are the events leading to the division of Germany Politics economic history and social and cultural change in both Germanys are fully explored Thus in the FRG the nature of Adenauer s success in creating a parliamentary democracy is analysed as is the West German economic miracle There is also a chapter specifically on social and cultural developments in the FRG The GDR is treated equally comprehensively with particular attention being paid to the Socialist Unity Party and how it was able to dominate the GDR and survive the riots of 17 18 June 1953 The events leading up to the construction of the Berlin Wall are also carefully covered In the Conclusion a comparative summary of the two German states is made in the light of key themes

American Expansionism, 1783-1860 Mark Joy,2014-01-14 This new Seminar Study surveys the history of U S territorial expansion from the end of the American Revolution until 1860 The book explores the concept of manifest destiny and asks why if expansion was manifest there was such opposition to almost every expansionist incident Paying attention to key themes often overlooked Indian removal and the US government land sales policy the book looks at both foreign expansion such as the Louisiana Purchase in 1803 and the war with Mexico in the 1840s and internal expansion as American settlers moved west Finally the book addresses the most recent historiographical trends

in the subject and asks how Americans have dealt with the expansionist legacy Lenin's Revolution David R. Marples, 2014-06-06 This study examines one of the key events in history the Russian Revolution Since the late Gorbachev period a wealth of new material has become available to historians that has triggered intense scholarly debate on the nature of revolution This timely new book takes account of the new scholarship including for example the role of Lenin It is argued that the initial flexibility of Lenin and the Bolshevik party allowed them to take power but that the conduct of both changed considerably once they were obliged to take steps to maintain their authority This book charts the February Revolution the October Revolution the Civil War and the main individuals involved giving a remarkable degree of clarity to the tumultuous events in Russia whose consequences the world lived with for the rest of the twentieth century **Japan faces the World, 1925-1952** Mary L. Hanneman, 2013-11-14 By 1925 the process of Japan's transition to a modern industrialised westernised state was pretty much complete Not only had the imperial tradition been restored with the Meiji Restoration in 1868 but some forms of democratic parliamentary institutions had been set up However during the years that followed the so called imperial democracy came under pressure as the Japanese sought to impose tight control over not only their own people but their neighbours as well This impressive survey looks at developments at home Japan's aggressive foreign policy particularly in China during the 1930s and 1940s and her role in the Second World War Finally the post war reconstruction orchestrated by the Americans is examined The cut off point is 1952 the date when Allied Occupation formally came to an end and Japan once again became independent *The Korean War* Steven Hugh Lee, 2013-12-02 Tens of thousands of US soldiers and untold millions of Koreans died in this war the first major arena of the East West conflict This concise international history of the war offers a new approach to its understanding tracing its origins and dynamics to the interplay between modern Korean history and twentieth century world history The narrative also uniquely examines the social history of the conflict and includes material on the newly racially integrated US fighting forces war and disease women and war and life in the Prisoner of War camps While most surveys stop at 1953 with the signing of the armistice Steven Hugh Lee carries the story through to the Geneva Conference in the spring of 1954 the last major international effort before recent years to negotiate a permanent peace for the Korean peninsula *The Soviet Union under Brezhnev* William J. Tompson, 2014-07-30 The Soviet Union Under Brezhnev provides an accessible post Soviet perspective on the history of the USSR from the mid 1960s to the mid 1980s It challenges both the evil empire image of the USSR that was widespread in the early 1980s and the stagnation label attached to the period by Soviet reformers under Gorbachev The book makes use of a range of memoirs interviews archival documents and other sources not available before 1990 to place Brezhnev and his epoch in a broader historical context The author examines high politics foreign policy and policy making explores broader social cultural and demographic trends presents a picture of Soviet society in the crucial decades prior to the upheavals and crises of the late 1980s While stopping well short of a full scale rehabilitation of Brezhnev Tompson rejects the prevailing image of the Soviet leader as a colourless

non entity drawing attention to Brezhnev's real political skills as well as his faults and to the systemic roots of many of the problems he faced

China Since 1949 Linda Benson, 2002 This new text on the People's Republic focuses on its rapid transformation during the past half century and the challenges this presents Written for A level and undergraduate students without previous background on China and supported by primary source materials it provides a coherent narrative of the major events in China's recent past and a balanced account of China's on going transformation as it moves toward a more open society a market oriented economy and an increasing role in international affairs

The Origins of the Vietnam War

Fredrik Logevall, 2014-01-14 Why did the US make a commitment to an independent South Vietnam Could a major war have been averted Fredrik Logevall provides a concise comprehensive and accessible introduction to the origins of the Vietnam War from the end of the Indochina War in 1954 to the eruption of full scale war in 1965 and places events against their full international background

Napoleon Clive Emsley, 2003 Probably no other single individual has had such a profound impact on the development of modern France and on that of nineteenth century Europe as Napoleon Clive Emsley brings the subject up to date historiographically and provides an accessible introduction to the post revolutionary period in European history of 1799 to 1815

The Origins of French Absolutism, 1598-1661 Alan James, 2014-01-14 This

controversial study takes the provocative line that the French monarchy was a complete success James turns the idea of royal absolutism on its head by redefining the French monarchy's success from 1598 1661 The Origins of French Absolutism 1598 1661 maintains that building blocks were not being laid by the so called architects of absolutism but that by satisfying long established traditional ambitions cardinal ministers Richelieu and Mazarin undoubtedly made the confident ambitious reign of the late century possible
