Empire of Alexander the Great Debra Skelton, Pamela Dell, 2009 This volume looks at what made Alexander a brilliant military tactician and a charismatic leader It also explores what the Eastern world learned through contact with Alexander and what Alexander brought to the West from the Persian Empire      *The 100 Most Influential Military Leaders of All Time*

Kevin Geller, 2016-07-15 This book presents biographies of 100 military leaders both good and evil who represent nations throughout the world and the most significant wars in history Each entry includes information about childhood influences education career highlights post military life and legacy as it relates to military history      **The Principal'S Principles**

David Robinson, 2015-08-18 Education is a right for all young people in the world yet quality and relevant education is still elusive Schools are searching for the perfect recipe for success in a rapidly changing world Principals are at the focal point of educational delivery which makes leading schools throughout the world one of the most stressful and challenging occupations It is a profession that requires many different life leadership and management skills Working with people is at best filled with drama and in addition principals lead schools crowded with impressionable and volatile children or teenagers with all their changing hormones peer pressure the stresses of society and the challenges emanating from their complex family structures Teachers are facing huge challenges in the classroom that force heads of schools to give more supportive and constructive leadership Creating the perfect balance between discipline compassion maintaining academic standards and a relevant academic path for students all while leading a motivated and skilled staff of teachers is a mammoth task for any individual This book is a guide to the challenges facing a principal and the skills needed to navigate a school to success

Who's Who in History (Download) Emerson Kent, Get the basics and learn interesting facts about the key figures and events in history The book in your hands is a cross section of history The style in which it is written gives you much information in a few words You will enjoy reading it whether you go cover to cover or dive straight into the subject that interests you This work is meant as an appetizer A detail might catch your interest and you might decide to earmark it as an object for further investigation Who s Who in History is easy and fun to read All you need to know no more no less      The

Ancient World Transformed Pamela Bradley, 2014-08-19      Affective Relations and Personal Bonds in Hellenistic Antiquity

Monica D'Agostini, Edward M. Anson, Frances Pownall, 2020-11-23 The intense bonds among the king and his family friends lovers and entourage are the most enticing and intriguing aspects of Alexander the Great s life The affective ties of the protagonists of Alexander s Empire nurtured the interest of the ancient authors as well as the audience in the personal life of the most famous men and women of the time These relations echoed through time in art and literature to become paradigm of positive or negative human behavior By rejecting the perception of the Macedonian monarchy as a positivist king army based system and by looking for other political and social structures Elizabeth Carney has played a crucial role in prompting the current re appraisal of the Macedonian monarchy Her volumes on Women and Monarchy in Ancient Macedonia

University of Oklahoma Press 2000 Olympias Mother of Alexander the Great Routledge 2006 Arsinoe of Egypt and Macedon A Royal Life Oxford University Press 2013 have been game changers in the field and has offered the academic world a completely new perspective on the network of relationships surrounding the exercise of power By examining Macedonian and Hellenistic dynastic behavior and relations she has shown the political yet tragic heroic thus human side thus connecting Hellenistic political and social history Building on the methodological approach and theoretical framework engendered by Elizabeth Carney's research this book explores the complex web of personal relations inside and outside the oikos family governing Alexander's world which sits at the core of the inquiry into the human side of the events shedding light on the personal dimension of history Inspired by Carney's seminal work on Ancient Macedonia the volume moves beyond the traditionally rationalist and positivist approaches towards Hellenistic antiquity into a new area of humanistic scholarship by considering the dynastic bloodlines as well as the affective relations The volume offers a discussion of the intra and extra familial network ruling the Mediterranean world at the time of Philip and Alexander Building on present scholarship on relations and values in Hellenistic Monarchies the book contributes to a deeper historical understanding of the mutual dialogue between the socio cultural and political approaches to Hellenistic history *My History ABC (Download)* Emerson Kent, Knowledge that sticks Twenty six people who are important in world history have written their details into your yearbook My History ABC is especially recommended for the young historian who is between 12 and 16 years old

*Government Leaders, Military Rulers and Political Activists* David W. Del Testa, 2014-01-27 In each volume an introductory essay outlines the history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A Z format each biography is divided into a life section describing the individual's life and influences and a legacy section summarizing the impact of that individual's work throughout history These biographies cover a diverse group of men and women from around the globe and throughout history Franklin Delano Roosevelt Mao Tse tung and Genghis Khan are among the 200 well known historical figures included in this volume Examples of other lesser known yet important individuals covered in this work are Gustavus Adolphus Swedish empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean Jaurès French socialist leader and pacifist Each synopsis provides information on each individual's enduring impact on the common understanding of fundamental themes of human existence **American Book Publishing Record Cumulative, 1876-1949: Fiction. Juvenile fiction** R.R. Bowker Company. Department of Bibliography, 1980 **Sons and Fathers** John Crosby, 2013-10-23 Father son relationships can be notoriously difficult Often fractious sometimes hostile and occasionally destructive the issue of authority is negotiated by fathers and sons in a range of styles In this fascinating new book John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love authority and the wider family context Sons and Fathers is an approach to understanding this son father conflict based on early life experience

rather than upon psycho historian or psycho biographical material and theorizing Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man s relationship to his father can be understood in the context of key developmental theories in particular those of Eric Erikson and Murray Bowen s family system theory The book also includes an extended introduction to both theorists for those unfamiliar with their work as well as a discussion of the role of corporal punishment as a method of disciplining children From Michael Jackson to Bing Crosby Joseph Stalin to John F Kennedy this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan Family Studies Marriage and Family therapy and related subjects It will also appeal to professionals working in the area including social workers counsellors and therapists **The National Union**
