*Beyond Leveled Books* Franki Sibberson, Karen Szymusiak, Lisa Koch, 2023-10-10 In *Beyond Leveled Books* Second Edition Franki Sibberson, Karen Szymusiak and Lisa Koch provide even more resources to help teachers understand and meet the needs of transitional readers. The key topic of series books has been revised and enlarged with charts outlining new series with the challenges they pose and supports readers need. New lessons have been added and most chapters now include a related article from a literacy expert. Some of the contributors include Kathy Collins, Larry Swartz and Mary Lee Hahn. Leveled books are an indispensable tool for teaching children to read especially for emergent readers but the authors of *Beyond Leveled Books* are sounding the alarm about the overuse and misuse of leveling and the way it restricts teacher autonomy and undermines student choice and reading engagement. The authors lay out a blueprint for using leveled books effectively within a student centered and differentiated approach that is designed to motivate all readers particularly transitional ones. *Teaching Transitional Readers: Beyond Leveled Books* is packed with resources to help teachers understand and meet the needs of transitional readers including examples of classroom instruction, sample mini lessons, strategies for small group instruction, assessment techniques and articles by literacy experts. *Resources for K 5 Classrooms* The book explores the uses and limitations of leveled texts in primary reading instruction including ideas for how to organize your classroom library and a list of great books and series to use alongside leveled text in supporting new readers. *Gateway to Independent Reading* The authors provide explicit tools for helping students consolidate their skills and reading strategies to read widely and deeply to increase their vocabulary and build critical thinking. *Making Reading Fun* Teach students to experience joy from reading through deeper comprehension and application. *Beyond Leveled Books* is an essential resource for K 5 teachers looking to help all readers including budding readers, struggling readers, transitional readers and readers who have plateaued.

*The Roads We Follow (A Fog Harbor Romance)* Nicole Deese, 2024-04-30 A cross country road trip. A secretive box of journals. An unforgettable summer romance. As the youngest daughter of a country music legend, Raegan Farrow longs to establish an identity away from the spotlight and publish her small town romances under a pen name. But after her dream is dashed when she won't exploit her mother's fame to further her own career, she hears a rumor from a reliable source regarding a tell-all being written about the Farrow family. Making matters worse, the unknown author has gone to great lengths to remain anonymous until publication. Raegan chooses to keep the tell-all a secret from her scandal-leery sisters as they embark on a two-week cross country road trip at their mother's request and makes it her mission to expose the identity of the author behind the unsanctioned biography. But all is complicated when she discovers their hired bus driver, Micah Davenport, has a hidden agenda of his own, one involving both of their mothers and an old box of journals. As they rely on each other to find the answers they seek, the surprising revelations they unearth will lead them down an unexpected road of love and reconciliation.
