Adopted For Life The Priority Of Adoption For Christian Families And Churches:

Adopted for Life Russell D. Moore, 2009-04-08 A manifesto calling Christians to adopt children and to equip Christian families going through the process Offers biblical foundations for adoption and identifies adoption as a Great Commission priority in evangelical churches *Adopted for Life* Russell Moore, 2009 A manifesto calling Christians to adopt children and to equip Christian families going through the process Offers biblical foundations for adoption and identifies adoption as a Great Commission priority from publisher description **Adopted for Life** Russell Moore, 2015 In this practical book Moore highlights the importance of adoption for all Christians encouraging readers to lead the way in adoption and orphan advocacy out of our identity as adopted children of God **Adopted for Life (Updated and Expanded Edition)** Russell Moore, 2015-10-14 The doctrine of adoption God's decision to adopt sinful men and women into his family stands at the heart of Christianity In light of this Christians efforts to adopt beautifully illustrate the truth of the gospel In this popular level and practical manifesto Russell Moore encourages Christians to adopt children and to help other Christian families to do the same He shows that adoption is not just about couples who have struggled to have children Rather it's about an entire culture within evangelicalism a culture that sees adoption as part of the Great Commission mandate and as a sign of the gospel itself **Church, Society, and the Christian Common Good** Ephraim Radner, 2017-07-14 Philip Turner's contributions as a leader and thinker in Christian missions and social ethics are here engaged by an array of friends and colleagues Turner's scholarly and clerical career spans a key era of transition in American and world Christianity and his thinking and teaching about the intersection between ecclesial and civil life have encouraged several generations of Christian theologians and ministers The essays in this collection touch on key topics in which Turner has been involved cross cultural missions social relations in terms of family and procreation ecclesiology scriptural interpretation the nature of the public good and the character of a human life before God Turner has been a pioneer within the Anglican world especially in promoting what has been called a generous orthodoxy and these essays by prominent theologians from America and the United Kingdom extend his witness in lively and fruitful ways *God, Marriage, and Family* Andreas J. Köstenberger, David W. Jones, 2010 This updated edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation [The Intercountry Adoption Debate](#) Robert L. Ballard, Robert F. Cochran, Naomi H. Goodno, 2015-06-18 Meaningful discussion about intercountry adoption the adoption of a child from one country by a family from another country necessitates an understanding of a complex range of issues These issues intersect at multiple levels and processes span geographic and political boundaries and emerge from radically different cultural beliefs and systems The result is a myriad of benefits and costs that are both global and deeply personal in scope This edited volume introduces this complexity and **What is the Doctrine of Adoption?** Michael A. ,2017-11-20 This book significantly deepens the contemporary discussion of the theology and practice of adopting children Though adoption appears prominently in Scripture contemporary adoption practice has thus far proceeded without serious theological engagement This book seeks to fill this gap by offering a theological and ethical perspective on adoption that not only clarifies and complicates contemporary understandings of adoption but also throws fresh light on family community vocation and even what it means to be human Both interdisciplinary and international the volume is brings together theologians and ethicists from Europe the UK Canada and the United States A rich set of reflections from both practical and theoretical perspectives offers a unique and uniquely insightful vision of Christian adoption Contributors are Dale P Andrews Jana Marguerite Bennett Marco Derks R Ruard Ganzevoort Bill McAlpine Kirsten Sonkyo Oh Sarah Shea Paul Shrier Henning Thei en Hans G Ulrich Karin Ulrich Eschemann Heather Walton Brent Waters Nick Watson *Adopting for God* Soojin Chung,2021-12-14

Adopting for God is the first historical study to focus on the role of adoption evangelists in the transnational adoption movement between the United States and East Asia It shows how both evangelical and ecumenical Christians challenged Americans to redefine traditional familial values and rethink race matters **The Quick-Reference Guide to Marriage & Family Counseling** Dr. Tim Clinton,Dr. John Trent,2009-09-01 We all know of families or marriages in crisis When those suffering in such situations turn to us for help where do we turn The Quick Reference Guide to Marriage and Family Counseling provides the answers It is an A Z guide for assisting people helpers pastors professional counselors youth workers and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Issues addressed by Clinton and Trent include affairs and adultery communication in marriage parenting sibling rivalry and many more Each of the forty topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7 prayer starters and 8 recommended resources About the series The Quick Reference Guides are A Z guides that assist people helpers pastors professional counselors youth workers and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Each of the forty topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7 prayer starters and 8 recommended resources

Evangelicals and Abortion J. Cameron Fraser,2024-04-18 Evangelicals and Abortion traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of Roe v Wade in 2022 **Who Do You Think You Are?** Mark Driscoll,2013 Offering insight into identity s many facets argues that false identity is at the root of most struggles and that challenges can be overcome by establishing an identity in Christ *Experiments in Worldly Ethnography* Sevasti-Melissa Nolas,Rachael Stryker,Christos Varvantakis,2024-04-09 This volume experiments with worldliness as found

in theory method and eldwork practice It provides readers with ten unique case studies that grapple with worldliness as an affective relational sensory and multimodal experience Attending to globalisation s undulations and futures the collection features research projects from around the world as well as writing in a re ective register about global topics including human traf ficking international adoption and migration popular pedagogies nancial crises data cation and AI and terrorism and civil war The book is an invitation to use ethnographic practice in a way that recognises the value of present conjunctures to interrupt and disrupt disciplinary ways of thinking It is a provocation to collapse boundaries and scales between material and symbolic worlds to explore connections between the human and the non human to work with entanglements of matter and that matter and to feel or sense rather than know or explain one s way through ethnographic encounters The volume will be of interest to upper level students and researchers in anthropology sociology and cultural studies especially those interested in global ethnography and the possibilities of qualitative research *Growing God's*

Family Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God s Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group *Not by Nature but by Grace* Gilbert C.

Meilaender, 2016-09-15 Working from within the contours of Christian faith this book examines the relation between two ways of forming families through nature by procreation and through history by adoption Christians honor the biological tie between parents and children for it is the work of God in creation Yet Christians cannot forget that it is adoption and not simply natural descent that is at the center of the New Testament s depiction of God s grace Gilbert Meilaender takes up a range of issues raised by the practice of adoption always seeking to do justice to both nature and history in the formation of families while keeping at the center of our vision the truth that it is not by nature but by grace that we can become adopted children of the one whom Jesus called his Father Meilaender begins with reflection on the puzzling relation of nature and

history in forming families and proceeds to unpack the meaning of huiiothesia the word used in the New Testament to name the grace by which a follower of Jesus becomes an adopted child of God That perspective is applied to a range of questions that regularly arise in Christian theological discussions of adoption Is adoption only for the infertile Should single persons adopt Is it wise for adoption to take place across racial or national boundaries Special attention is paid to the relation between adoption and new reproductive technologies and to what is called embryo adoption Interspersed between the chapters are letters written by the author to his own son by adoption But if the argument of the book is taken seriously these letters are written not to one who falls within a special category of adopted son or daughter but to one who is simply and entirely a son or daughter

Reforming the Household of God Gray, Allison L.,2022 If the household of God that is the living Church is to flourish as a space where all can belong we need to meet the major challenges we face as Christians with a commitment to compassionate listening a willingness to engage in difficult or even painful conversations and a genuine dedication to taking action that serves our siblings in the human family For crucial conversations about lay leadership institutional reform and community belonging to take place the faithful must first feel empowered to see and articulate connections between their lived experiences and the foundational texts that are part of the authoritative canon of Scripture We have to grapple with those New Testament letters that talk about what it means to belong from the introduction In our age of polarity could there be a more timely book than Allison Gray s Reforming the Household of God Paul s Model of Belonging In this informed and readable book Gray contextualizes how Paul the Apostle engaged metaphors to bridge the divide of differences in his communities offering insight into how Christians might do the same today Laurie Brink OP professor of New Testament studies Catholic Theological Union This incredible body of work expresses the genius of Allison Gray and is a significant contribution to the canon of liberative Christian praxis Rev Stephen A Green pastor and activist The Luke NYC

Making Sense of Motherhood Beth M. Stovell,2016-02-02 Motherhood provides a crucial place for exploring human life and its

meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood s meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood

From Intercountry Adoption to Global Surrogacy Karen Smith Rotabi, Nicole F. Bromfield, 2016-12-12 Intercountry adoption has undergone a radical decline since 2004 when it reached a peak of approximately 45 000 children adopted globally Its practice had been linked to conflict poverty gender inequality and claims of human trafficking ultimately leading to the establishment of the Hague Convention on Intercountry Adoption HCIA This international private law along with the Convention on the Rights of the Child affirm the best interests of the child as paramount in making decisions on behalf of children and families with obligations specifically oriented to safeguards in adoption practices In 2004 as intercountry adoption peaked and then began a dramatic decline commercial global surrogacy contracts began to take off in India Global surrogacy gained in popularity owing in part to improved assisted reproductive technology methods the ease with which people can make global surrogacy arrangements and same sex couples seeking the option to have their own genetically related children Yet regulation remains an issue so much so that the Hague Conference on Private International Law has undertaken research and assessed the many dilemmas as an expert group considers drafting a new law with some similarities to the HCIA and a strong emphasis on parentage This ground breaking book presents a detailed history and applies policy and human rights issues with an emphasis on the best interests of the child within intercountry adoption and the new conceptions of protection necessary in global surrogacy To meet this end voices of surrogate mothers in the US and India ground discourse as authors consider the human rights concerns and policy implications For both intercountry adoption and global surrogacy the complexity of the social context anchors the discourse inclusive of the intersections of poverty and privilege This examination of the inevitable problems is presented at a time in which the pathways to global surrogacy appear to be shifting as the Supreme Court of India weighs in on the future of the industry there while Thailand Cambodia and other countries have banned the practice all together There is speculation that countries in Africa and possibly Central America appear poised to pick up the multi million dollar industry as the demand for healthy infants continues on
