IMPORTANT NOTICE

This manual has been prepared on the basis of information YAMAHA LTD. possesses and their service personnel. It has been assumed that basic electrical principles referred to are known, and those specifically YAMAHA products are already known and understood by the users, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of equipment components and damage to the product or parts. In addition, this manual, and advice and YAMAHA's product manuals that are service requests should be performed by an authorized YAMAHA dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or endorsement of any equipment, technical capabilities, or installation practices upon authorization of any firm.

The user permission is granted to the user and applicable to the manual included on the cover. The technical engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, necessary and modifications are subject to change without notice or obligation on the part of YAMAHA. Therefore, please refer to the distributor's Service Circular.

WARNING: Study all changes and service engineering requirements. This book and parts identify your dealer who have received the servicing contract to the product from the user. Contact your dealer who have received the servicing contract to the product from the user.

IMPORTANT: Turn the user OFF during disassembly and parts replacement. This book will guide you to the correct parts and procedures.
