Isaac Hill

Ashes Of Paradise Plantation Letters 1:

Paradise in Ashes Beatriz Manz, 2004-03-15 Paradise in Ashes is a deeply engaged and moving account of the violence and repression that defined the murderous Guatemalan civil war of the 1980s In this compelling book Beatriz Manz an anthropologist who spent over two decades studying the Mayan highlands and remote rain forests of Guatemala tells the story of the village of Santa Mar a Tzej near the border with Mexico Manz writes eloquently about Guatemala s tortured history and shows how the story of this village its birth destruction and rebirth embodies the forces and conflicts that define the country today Drawing on interviews with peasants community leaders guerrillas and paramilitary forces Manz creates a richly detailed political portrait of Santa Mar a Tzej where highland Maya peasants seeking land settled in the 1970s Manz describes these villagers plight as their isolated lush but deceptive paradise became one of the centers of the war convulsing the entire country After their village was viciously sacked in 1982 desperate survivors fled into the surrounding rain forest and eventually to Mexico and some even further to the United States while others stayed behind and fell into the military s hands With great insight and compassion Manz follows their flight and eventual return to Santa Mar a Tzej where they sought to rebuild their village and their lives

Forthcoming Books Rose Arny, 1999 *Letters of Archbishop Ullathorne* William Bernard Ullathorne, Augusta Theodosia Drane, 1892

A Global History of Consumer Co-operation since 1850, 2017-07-03 With contributions from over 30 scholars A Global History of Consumer Co operation surveys the origins and development of the consumer co operative movement from the mid nineteenth century until the present day The contributions covering the history of co operation in different national contexts in Europe the Americas Asia and Australasia illustrate the wide variety of forms that consumer co operatives have taken the different political economic and social contexts in which they have operated the ideological influences on their development and the reasons for their expansion and decline at different times The book also explores the connections between co operatives in different parts of the world challenging assumptions that the story of global co operation can be traced exclusively to the 1844 Rochdale Co operative Society Contributors are Am lie Artis Nikola Balnave Patrizia Battilani Johann Brazda Susan Fitzpatrick Behrens Mar a Eugenia Castelao Caruana Kay Wah Chan Bernard Degen Dani le Demoustier Espen Ekberg Dulce Freire Katarina Friberg Mary Hilson Mary Ip Florian Jagschitz Pernilla Jonsson Kim Hyung mi Akira Kurimoto Simon Lambersens Catherine C LeGrand Ian MacPherson Francisco Jos Medina Albaladejo Alain M lo Jessica Gordon Nembhard Silke Neunsinger Greg Patmore Joana Dias Pereira Michael Prinz Siegfried Rom Robert Schediwy Corrado Secchi Geert Van Goethem Griselda Verbeke Rachael Vorberg Rugh Mirta Vuotto Anthony Webster and John Wilson

Letters of Archbishop Ullathorne William Bernard Ullathorne, 1891

From the Ashes Sarah Jaffe, 2024-09-10 From a social critic and journalist a poignant book that encourages publicly grieving what we ve lost in order to move towards a hopeful future Our era is one of significant and substantial loss of unraveling hopes and expectations of dreams curtailed of aspirations desiccated At the same time we are

denied the means of mourning the futures that are being so brutally curtailed At such a moment taking the time to grieve is a radical act Through in depth reporting intertwined with memoir Sarah Jaffe shows how public memorialization has become more than a refusal or a protest it is a path to imagining a better world When we are able to mourn the lives the homes and the worlds we have lost we are better prepared to fight for a transformed future *An Empire Transformed* Kate Luce Mulry,2021-01-12 Examines the efforts to bring political order to the English empire through projects of environmental improvement When Charles II ascended the English throne in 1660 after two decades of civil war he was confronted with domestic disarray and a sprawling empire in chaos His government sought to assert control and affirm the King s sovereignty by touting his stewardship of both England s land and the improvement of his subjects health By initiating ambitious projects of environmental engineering including fen and marshland drainage forest rehabilitation urban reconstruction and garden transplantation schemes agents of the English Restoration government aimed to transform both places and people in service of establishing order Merchants colonial officials and members of the Royal Society encouraged royal intervention in places deemed unhealthy unproductive or poorly managed Their multiple schemes reflected an enduring belief in the complex relationships between the health of individual bodies personal and communal character and the landscapes they inhabited In this deeply researched work Kate Mulry highlights a period of innovation during which officials reassessed the purpose of colonies weighed their benefits and drawbacks and engineered and instituted a range of activities in relation to subjects bodies and material environments These wide ranging actions offer insights about how restoration officials envisioned authority within a changing English empire *An Empire Transformed* is an interdisciplinary work addressing a series of interlocking issues concerning ideas about the environment governance and public health in the early modern English Atlantic empire
