Nursing/Registered Nurse Interview and Selection Days Numeracy and literacy tests: information and sample questions

Nurses need to be both numerate and literate to register with the Nursing and Midwifery Council. During our interview and selection days you'll complete a numeracy test and a literacy test.

What do the tests involve?

The literacy test lasts for 40 minutes. There are two elements to the literacy test: a twenty minute multiple choice comprehension and a twenty minute essay on a subject of our choice. The essay title will relate to healthcare and the NHS. The maximum score for the comprehension test is 30 and the pass mark is 18/30. The maximum score for the essay test is 10 and the pass mark is 6/10.

The numeracy test lasts for 30 minutes. It includes addition, subtraction, multiplication and division, as well as conversion of decimals to fractions, and fractions to decimals. The maximum score for the test is 30 and the pass mark is 18/30.

What happens if I don't pass the tests?

You need to pass the numeracy test to proceed to the interview stage. We are unable to consider applicants who do not achieve the pass mark in any of the tests.

The decision not to grant an interview as a result of the tests is final and the University will be unable to enter into any individual discussion or correspondence with regards the result achieved.

If you fail one or more parts of the test this will be indicated in the rejection information you will receive from UCAS.
