| Rationale               | <p>Why is this topic being taught?</p> <p>This topic is being taught as an introduction to Key Stage Four literature. This marks a jump up in sophistication, theme and plot of a modern play and pupils will be stretched and challenged with the ideas presented. This play has been chosen out of the 'modern text' selection due to the modern nature of the play, and the context, plot and characters will resonate with pupils. I believe it is important not only to discuss and teach plays from the canon, but also modern texts that can truly speak to the young people we teach.</p> <p>Why is this topic being taught now?</p> <p>After the Foundation Year in English this is the first topic of KS4. We have picked this topic first as it is accessible, quick to read and although heavy on depth and symbolism, it is scarce in terms of language techniques and difficulty. Therefore, in Year 11 pupils will be able to revisit the topic quickly and easily, without analysing the text fully again.</p> |   |   |   |  |                      |                                      |

To focus on the theme of violence and consequences. | To analyse Act 4 and the resolution of the play, to sum up the overall themes and moments. | Revision/ Assessment | Cap week (review of topics Week 1-5) |

**Teaching Literature to Adolescents** Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2016-03-10 This popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts and the need to organize literature instruction around topics and issues of interest to them Throughout the textbook readers are encouraged to raise and explore inquiry based questions in response to authentic dilemmas and issues they face in the critical literature classroom New in this edition the text shows how these approaches to fostering responses to literature also work as rich tools to address the Common Core English Language Arts Standards Each chapter is organized around specific questions that English educators often hear in working with pre service teachers Suggested pedagogical methods are modelled by inviting readers to interact with the book through critical inquiry methods for responding to texts Readers are engaged in considering authentic dilemmas and issues facing literature teachers through inquiry based responses to authentic case narratives A Companion Website <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their current or future classrooms

ECKM 2015 Proceedings of the 16th European Conference on Knowledge Management Juan Gabriel Cegarra, 2012

Poetry and Work Jo Lindsay Walton, Ed Luker, 2019-11-16 Poetry and Work offers a timely and much needed re examination of the relationship between work and poetry The volume questions how lines are drawn between work and non work how social political and technological upheavals transform the nature of work how work appears or hides within poetry and asks if poetry is work or play or something else completely The book interrogates whether poetry and avant garde and experimental writing can provide models for work that is less alienated and more free In this major new collection sixteen scholars and poets draw on a lively array of theory and philosophy archival research fresh readings and personal reflection in order to consider work and poetry the work in poetry and the work of poetry Individual chapters address issues such as the many professions occupations and tasks of poets beyond and around writing poetry s special relationship with craft work s relationship with

gender class race disability and sexuality how work gets recognised or rendered invisible in aesthetic production and beyond the work of poetry and the work of political activism and organising and the notion of poetry itself as a space where work and play can blur and where postwork imaginaries can be nurtured and explored Proceedings of the 12th UUM International Legal Conference 2023 (UUMILC 2023) Rohana Abdul Rahman, Mohamad Fateh Labanieh, Md. Zahurul Haq, Zuryati

Mohamed Yusoff, Ahmad Shamsul Abd. Aziz, 2024-01-09 This is an open access book The 12th UUM International Legal Conference 2023 REFLECTING ON THE FUTURE ADVANCES IN LAW Aims of the Conference To provide a platform for intellectuals from various fields to discuss and share experiences on contemporary legal issues To enhance network and collaboration among the participants from various disciplines To encounter legal issues from different perspectives both globally and locally New Essays on History and Form in Early Modern English Literature Nick Moschovakis, Gail Kern Paster, 2024-08-19 This volume convenes eight noted scholars with varied positions at the interface of formal and historical literary criticism The editors introduction a far reaching account of how both methods have intersected in studies of early modern English texts since the 1990s is the first such survey in more than 15 years making it invaluable to scholars entering this area Three essays address foundational questions about genre fictionality and formlessness five feature close readings of texts or passages ranging from the more canonical Shakespeare Herbert Milton to the less so an official record of the 1604 Hampton Court Conference For scholars and students alike the book thus models a variety of ways both to conceptualize and to analyze the value of literature at the formal historical interface Encompassing drama lyric satirical and polemical prose and metrical as well as rhetorical and logical forms the collection closes with an afterword by theorist Caroline Levine

Yamboliev,2025-07-07 All real art wrote William Morris is ornamental If Morris is right then ornament is not as some would have it a triviality a sign of want or a crime Instead Ornament the Novel and the Victorian Real argues for the many and varied ways in which the novel is indebted to ornament Victorians and Victorianist scholars have compared the novel to fine arts such as Dutch genre painting or to photography emphasizing these visual forms investment in gritty particularity and exhaustive detailing of appearance But this story loses sight of a key fact that this book recovers ornament represents a distinct describable Victorian method of realism a method for boiling down essentials and making palpable the invisible fundamental laws that govern form in nature This book grounds itself historically in Victorian theories and practices of decoration developed in the middle of the nineteenth century a moment when Victorian designers overhauled the reigning principles of decorative art and shows the rise of the newly developed theory of ornament to have explanatory power for contemporary novelistic practice too The compositional principles in ornament far from trivial extraneous or deceptive furnish a new theory of form a new concept of the real and a new method for reading novelistic prose Ornament is at work churning away at the heart of the Victorian novel Wallpaper patterns hinge work stained glass these visual forms articulate principles of form such contrast symmetry flatness and stylization And novelists turn these design principles into literary principles importing them into their narratives as syntax word by word and phrase by phrase This book proceeds by way of very close readings that focus on the scale of the sentence and analyzes the rhythm meter and repetition of prose This method allows an appreciation of how in the hands of George Eliot Thomas Hardy A C Swinburne Oscar Wilde and D H Lawrence ornamental prose opens up representational possibilities not otherwise available Ornament allows novelists to render the patterning of human minds the dynamics of relationship and the intense realities of the more than human world
