Literature Scheme 2015 Wace:

Children's Publishing and Black Britain, 1965-2015 Karen Sands-O'Connor, 2017-06-23 This book examines a critical period in British children's publishing from the earliest days of dedicated publishing firms for Black British audiences to the beginnings of the Black Lives Matter movement in the UK Taking a historical approach that includes education acts Black protest community publishing and children's literature prizes the study investigates the motivation behind both independent and mainstream publishing firm decisions to produce books for a specifically Black British audience Beginning with a consideration of early reading schemes that incorporated Black and Asian characters the book continues with a history of one of the earliest presses to publish for children Bogle L'Ouverture Other chapters look at the influence of community based and independent presses the era of multiculturalism and anti racism the effect of racially motivated violence on children's publishing and the dubious benefit of awards for Black British publishing The volume will appeal to children's literature scholars librarians teachers education policy makers and Black British historians [Aging-friendly environments and healthy aging](#) Yao Yao, Hualiang Lin, Yuebin Lv, Kokoro Shirai, Hiroyasu Iso, 2023-07-04 *Global Environment Outlook - GEO-6: Healthy Planet, Healthy People* UN Environment, 2019-06-06 Published to coincide with the Fourth United Nations Environmental Assembly UN Environment's sixth Global Environment Outlook calls on decision makers to take bold and urgent action to address pressing environmental issues in order to protect the planet and human health By bringing together hundreds of scientists peer reviewers and collaborating institutions and partners the GEO reports build on sound scientific knowledge to provide governments local authorities businesses and individual citizens with the information needed to guide societies to a truly sustainable world by 2050 GEO 6 outlines the current state of the environment illustrates possible future environmental trends and analyses the effectiveness of policies This flagship report shows how governments can put us on the path to a truly sustainable future emphasising that urgent and inclusive action is needed to achieve a healthy planet with healthy people This title is also available as Open Access on Cambridge Core **Ageing in China** Xin Deng, Kym Fraser, Jie Shen, 2023-02-14 This book provides a comprehensive examination of the effect of ageing population in China on labour market The delay in releasing 2020 census data in China once again drew world's attention to the ageing population in China the births have fallen to their lowest level since the 1960s The relaxation of one child policy seems to have little impact to reverse the declining birth rate starting in the 2010s Rising longevity have made China the most populous country in the world fast becoming an ageing society Within a few decades it will become the country with the largest ageing population in the world This book adopts a multi disciplinary approach to explore the effects of ageing population on labour market at three levels Macro organizational and individual levels Population ageing in China is of interest to researchers practitioners and policy makers across the world Population ageing has profound effects on various parts of the society and this book will focus on the labour market aiming at producing a comprehensive picture of how population ageing affecting the composition

of workforce and the way people work from the perspective of individuals organization and society as a whole This book examines China s population ageing through the lens of economics management and sociology in order to produce a comprehensive understanding of this issue This book includes cutting edge research and most up to date statistics for arguably China s most important social change for the next few decades This book encases high quality research on China s ageing population and is expected to be the reliable source of information for future research and policy development This book presents a collection of chapters examining the impact of population ageing at three levels in order to provide a holistic view of this matter and allow readers to choose the topic that meet their interests

The Doctrine of God and the Crisis of Modernity Jared Michelson, 2025-05-15 Michelson traces contemporary debates on the doctrine of God back in time to the philosophical critiques of Hume and Kant Charnock Schleiermacher and Barth each offered accounts of the doctrine of God This book offers a critical evaluation of these accounts and demonstrates how they were responding to early modern critiques of the possibility of knowing God Indeed this work also highlights how these critics built their arguments on faulty interpretations of classical theological tradition In doing so this book carves out a provocative construct path forward for contemporary theological reflection on the doctrine of God
