**Preaching on Social Suffering** Jeremy Kangsan Kim, 2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering one that

has pastoral and prophetic approaches These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community Thus the author suggests that preachers adopt the biblical lament highlighting its dual tasks of compassion the pastoral dimension and resistance the prophetic dimension The author who is a non Western Asian American preacher also incorporates East Asian philosophical and hermeneutical research on ren a positive element of Confucianism into his argument He applies this core concept of Confucianism to the preacher s homiletical strategy toward social suffering Thus the author proposes that Korean preachers should recover ren which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within Uri we the community

Understanding Prayer for the Dead James B. Gould, 2016-08-04 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory though not for the deliverance of the unsaved from hell This book defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the center of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

*Guidelines for Leading Your Congregation 2013-2016 - Communications* Um Communications, 2015-07-22 Local church communication is a ministry that shares the church's story in ways that move people toward becoming disciples of Christ. You are part of a leadership team that brings to life your church's vision and mission. Your role is to be a storyteller and connector employing communications practices and tools to share the story of the church in a planned, compelling, accessible way. Your goal is to develop a reliable process for telling and hearing the story in which everyone can participate. This guideline is designed to help you meet this goal. This is one of the twenty-six Guidelines that *Hear the Word of the Lord* Martin Connell, 2015-09-01. In *Hear the Word of the Lord: The Lectionary in Catholic Ritual* Martin Connell offers an in-depth understanding of the Roman Catholic Lectionary for Mass. He presents a theology of the Word of God that is grounded in both ancient and ongoing liturgical practices of hearing and proclaiming the Word in the Church. Steeped in the history and composition of the New Testament, Connell traces the development of the Lectionary from the letters of St. Paul to the current Lectionary, demonstrating the way in which a listening assembly serves as an essential component of both our experience and our understanding of Scripture. In addition, Connell presents a comprehensive look at the structure of the Lectionary and its role in the liturgical year.

Worshiping in Season Joseph E. Bush Jr., 2022-03-15 *Worshiping in Season* guides ministers through a meaningful framework for ecologically oriented worship. Following the liturgical calendar and maintaining a Christocentric emphasis, Joseph E. Bush Jr. aligns earthly seasons with the liturgy and suggests readings, songs, and other acts of worship to amplify an ecologically informed Christology. The seasons of Lent, Easter, and Pentecost, and Advent, Christmas, and Epiphany recall and reenact dramas about Jesus Christ that entail good news for the natural world and for the flourishing of earthly creatures. Bush examines the Christological and ecological importance of selections from the Roman Catholic Lectionary for the Mass and the Revised Common Lectionary that is used in ecumenical Protestant denominations. Creation and Christ weave together in concert, and Christian worship is seen as an opportunity to participate in both creation's longing and in Christ's saving work. Each chapter includes resources and suggestions for worship as well as biblical commentary and theological interpretation helpful to preaching. This book is a valuable companion in preparing for worship during the important seasons of the Christian year, giving voice to our faith in Christ and our hope for the Earth.
