Lucy Calkins Poetry Lesson Plans Grade 5:

Units of Study for Teaching Writing Lucy Calkins, Kathy Collins, 2006 This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum *Educators Guide to Free Internet Resources* Educators Progress Service, 2005-04 To provide our customers with a better understanding of each title in our database we ask that you take the time to fill out all details that apply to each of your titles Where the information sheet asks for the annotation we ask that you provide us with a brief synopsis of the book This information can be the same as what may appear on your back cover or an entirely different summary if you so desire **Assessing Writers** Carl Anderson, 2005 Anderson offers smart ready to use ideas for assessment *Conversations with a Poet* Betsy Franco, 2005 Presents ideas for teaching forms elements and writing of poetry kindergarten to high school and describes and provides teachers with samples and bibliographies for sixteen poetic forms Provided by publisher **Instructor**, 1997 **Growing Readers** Kathy Collins, 2004 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in *Growing Readers* create the kind of primary classrooms where that happens **Teaching Language and Literacy** James F. Christie, Carol Vukelich, Billie Enz, 2007 This text does an exemplary job of presenting current early literacy research and methods in a manner that can be understood and respected Also its emphasis upon workshop based instruction is very appealing to me as a long time advocate for this approach to literacy Scott A L Beck Georgia Southern University The third edition of *Teaching Language and Literacy* Preschool Through the Elementary Grades integrates a constructivist emergent literacy perspective with science based instructional practices This unique focus on theories and techniques that have proven to be successful

helps pre service and in service teachers translate principles into classroom practice Perfect for any course with a focus on language the book covers the development and teaching of both oral and written language in preschool through elementary grades Its emphasis on diversity includes special features that describe how teachers can adjust instruction to meet the needs of second language and bilingual learners In addition the third edition focuses on scientifically based reading research SBRR throughout blending these findings with other perspectives in a value added approach to language and literacy teaching and learning New features include Emphasis on a blended approach to language and literacy instruction including both authentic learning linked to activities and developmentally appropriate teaching Activities such as Linking Knowledge to Practice help students connect theory to practices they observe in preschool and kindergarten classrooms In depth coverage of new federal and state literacy initiatives standardized literacy assessments and latest practices in ongoing literacy assessment
