Power Power Romance 1 By Claire Adams:

Making Love Just Marvin M. Ellison, 2012 These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description *Wid's Year Book* ,1971 **The Sidney Family Romance** Gary Fredric Waller, 1993 William Herbert 1580 1630 third earl of Pembroke and Lady Mary Wroth 1587 1653 were first cousins the nephew and niece of Sir Philip Sidney whose family was one of remarkable literary and political importance Herbert was a poet a voluminous letter writer and one of the Jacobean court s richest and most powerful courtiers and politicians Wroth was arguably the most important woman writer of the period she authored the first Petrarchan poetic sequence the first prose romance and one of the first plays in English by a woman In addition to their connections as cousins and as writers they were lovers and the parents of two illegitimate children The Sidney Family Romance is both a cultural biography and a symptomatic reading of the sexual and textual relationships of Herbert and Wroth Waller s analysis of their letters and literary works relies on a variety of critical apparatuses social history current political and social theories of the Jacobean period and most notably feminist psychoanalytic theory In both his biographical information and interpretive comments Waller focuses on subject construction and gender construction of the early modern period to find that Herbert s poems proceed from his life at court to engage in the gender politics of Petrarchan poetry while Wroth s work proceeds from her disempowered position to project a desire for an autonomy which would lead to mutuality between the sexes Waller tries to find ways of analyzing the inner lives of his subjects in the absence of direct evidence and with a paucity of documentation He examines historical documents including the writings of the two cousins and recent historical research along with contemporary studies of family interactions and gender construction and detailed case histories drawn from nearly a century of clinical and therapeutic studies The author concludes with a discussion of the crisis of gender in the seventeenth century as a contemporary crisis as well Family history has long been central to Renaissance studies The Sidney Family Romance proceeds far beyond any previous works in bringing to bear the very rich and complicated network of ideas observations and literary images in the works of Herbert and Wroth BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Sketch* ,1925 **Climatological Data for the United States by Sections** ,1963 Collection of the monthly climatological reports of the United States by state or region with monthly and annual national summaries *Climatological Data, Wisconsin* United States. Screen Comedy and Online Audiences Inger-Lise Kalviknes Bore,2017-06-14 The question of why we laugh or don t laugh has intrigued scholars since antiquity This book contributes to that debate by exploring how we evaluate screen comedy What kinds of criteria do we use to judge films and TV shows that are meant to be funny And what might that have to do with our social and cultural backgrounds or with wider cultural ideas about film TV comedy quality and entertainment The book examines these questions through a study of audience responses posted to online facilities such as Twitter Facebook review sites blogs and message boards Bore s analysis of these responses considers a broad range of issues including how audiences perceive the idea of national comedy what they think of female comedians how they evaluate romcoms sitcoms and web comedy what they think is acceptable to joke about what comedy fans get excited about how fans interact with star comedians and what comedy viewers really despise The book demonstrates some of the ways in which we can adapt theories of humour and comedy to examine the practices of contemporary screen audiences while offering new insights into how they negotiate the opportunities and constrictions of different online facilities to share their views and experiences

Never Ending Marianne K. Martin,1999 Born of wealth but not love Sage Bristo was rescued by her Native American grandmother from a childhood of fear and abuse Raised in the mystical tradition of her powerful Seneca foremothers Sage learns to cherish her heritage as a member of the Clan of the Doe Although strangers might be fooled by the handsome woman s air of extreme confidence her lover Deanne suspects that Sage s emotional scars are hidden rather than healed Trying to find out more about Sage s pain filled past Deanne unwittingly undermines the trust that is the foundation of their relationship Sage draws deeper into herself the only place she feels really safe And with Sage at her most vulnerable temptation appears in the form of an old friend and lover Unknown to either Sage or Deanne much more is at stake than their future together The path Sage chooses now will ultimately determine the survival of her clan
