Requiem For A Womans Soul By Omar Rivabella:

Requiem for a Woman's Soul Omar Rivabella,2015-01-21 In a town in an unnamed Latin American country a Catholic priest racked by moral doubt regarding the Church s social role discovers the torn papers of a diary belonging to a woman arrested and brutally tortured for no apparent reason

Requiem for a Woman's Soul Omar Rivabella,1987 In a town in an unnamed Latin American country a Catholic priest racked by moral doubt regarding the Church s social role discovers the torn papers of a diary belonging to a woman arrested and brutally tortured for no apparent reason Fear at the Edge Juan E. Corradi,Patricia Weiss Fagen,Manuel Antonio Garretón Merino,1992-12 A genuinely interdisciplinary work the best attempt I have ever seen at a truly unified intellectuals approach to an important issue Timothy Wickham Crowley Georgetown University Very seldom does a collected volume achieve the academic quality and internal coherence that one sees in this case It is a major contribution to comparative research on post authoritarian situations Carlos Waisman University of California San Diego That the World May Know James Dawes,2009-06-30 What can we do to prevent more atrocities from happening in the future and to stop the ones that are happening right now That the World May Know tells the powerful and moving story of the successes and failures of the modern human rights movement Drawing on firsthand accounts from fieldworkers around the world the book gives a painfully clear picture of the human cost of confronting inhumanity in our day The Pinter Ethic Penelope Prentice,2002-05-03 First published in 2000 Routledge is an imprint of Taylor Francis an informa company *The Barbarization of Warfare* George Kassimeris,2006-09 The images from Abu Ghraib prison in Baghdad have been a grim reminder of warfare s undiminished capacity for brutality and indiscriminate excess What happened in Abu Ghraib has happened before the World War II and more recent wars and insurgencies in Algeria Congo Angola Vietnam Bosnia Kosovo Chechnya and many others all bear witness to the ever present human capacity to commit barbaric acts if circumstances allow What drives people to mistreat humiliate and torment others In an age when real time war violence and torture are becoming addictive forms of entertainment it is now more critical than ever to deepen our understanding of the extraordinary distortions of the human psyche and spirit that occur in wartime Eight distinguished scholars explore in this first collective effort the effects of the barbarization of warfare on our cultures and societies Contributors Joanna Bourke Niall Ferguson Jay Winter Richard Overy David Anderson Hew Strachan Paul Rogers Kathleen Taylor Marilyn Young Paul Rogers Anthony Dworkin Amir Weiner Mary Habeck and David Simpson *The Philosophy of Law* Christopher Berry Gray,1999 This encyclopedia offers systematic and sustained coverage of the many dimensions of legal thought and gives expression to the breadth and depth of the philosophy of law

Chinese and Japanese Films on the Second World War King-fai Tam,Timothy Y. Tsu,Sandra Wilson,2014-10-24 This book examines representations of the Second World War in postwar Chinese and Japanese cinema Drawing on a wide range of scholarly disciplines and analysing a wide range of films it demonstrates the potential of war movies for understanding contemporary China and Japan It shows

how the war is remembered in both countries including the demonisation of Japanese soldiers in postwar socialist era Chinese movies and the pervasive sense of victimhood in Japanese memories of the war However it also shows how some Chinese directors were experimenting with alternative interpretations of the war from as early as the 1950s and how despite the resurgence of nationalism in Japan since the 1980s the production of Japanese movies critical of the war has continued

The Philosophy of Law Christopher Berry Grey, 2013-07-04 From articles centering on the detailed and doctrinal exposition of the law to those which reside almost wholly within the realm of philosophical ethics this volume affords comprehensive treatment to both sides of the philosophico legal equation Systematic and sustained coverage of the many dimensions of legal thought gives ample expression to the true breadth and depth of the philosophy of law with coverage of The modes of knowing and the kinds of normativity used in the law Studies in international constitutional criminal administrative persons and property contracts and tort law including their historical origins and worldwide ramifications Current legal cultures such as common law and civilian European and Aboriginal Influential jurists and their biographies All influential schools and methods

Julio Cortázar Carlos J. Alonso, 1998-06-13 A 1998 collection of essays on the Argentine writer Julio Cortázar

Transatlantic Studies Cecilia Enjuto-Rangel, Sebastiaan Faber, Pedro García-Caro, Robert Patrick Newcomb, 2019-11-19 This book emerges from and performs an ongoing debate about transatlantic approaches in the fields of Iberian Latin American African and Luso Brazilian studies In thirty five short essays leading scholars reframe the intertwined cultural histories of the transnational spaces encompassed by the former Spanish and Portuguese empires

Why Not Torture Terrorists? Yuval Ginbar, 2008-03-27 This book addresses a dilemma at the heart of counter terrorist policy is it ever justifiable to torture terrorists in order to save the lives of others the so called ticking bomb scenario The book opens with an analysis of the pure moral argument from the standpoint of the individual as torturer It then looks at the issues that arise once a state has decided to sanction torture in certain situations how to establish factually that the situation is urgent deciding who to torture training people to carry out torture and the efficacy of torture as a means of gathering information The final part examines attempts to operate legal systems which tolerate torture how they relate to the criminal law notion of necessity and to international human rights norms After examining the utilitarian arguments for torture and the impact on a society of permitting torture the author presents a powerful argument for maintaining the absolute legal prohibition

Amnesty, 1986-12

For la Patria Brian Loveman, 2004-09-08 Defending la patria or homeland is the historical mission claimed by Latin American armed forces For la Patria is a comprehensive narrative history of the military's political role in Latin America in national defense and security Latin American civil military relations and the role of the armed forces in politics like those of all modern nation states are framed by constitutional and legal norms specifying the formal relationships between the armed forces and the rest of society In actuality they are also the result of expectations attitudes values and practices evolved over centuries integral aspects of national political cultures

Military institutions in each Latin American nation have resulted from that country's own blend of local and imported influences developing a distinctive pattern of civil military relations as defender of the fatherland and guarantor of security and order. Written by Latin American specialist Brian Loveman, *For la Patria* includes tables, maps, photographs, and a glossary that will assist the student in better understanding the military's intervention in politics in Latin America. This new text will give students a thorough and accessible history of Latin American armed forces and their actions in Latin American politics from colonial times to the present.

October, 1990

Book Review Digest, 1987 Excerpts from and citations to reviews of more than 8,000 books each year drawn from coverage of 109 publications. *Book Review Digest* provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain.

Women's Review, 1987

Latin America in Books, 1986

Historical Dictionary of the Dirty Wars David Kohut, Olga Vilella, 2016-11-16. The *Historical Dictionary of the Dirty Wars* covers the period 1954-1990 in South America when authoritarian regimes waged war on subversion, both real and imagined. The term "dirty war" (*guerra sucia*), though originally associated with the military dictatorship in Argentina from 1976 to 1983, has since been applied to neighboring dictatorships in Paraguay (1954-1989), Brazil (1964-1985), Bolivia (1971-1981), Uruguay (1973-1985), and Chile (1973-1990). Although the concept is by no means peculiar to Latin America, the term has become a byword for state-sponsored repression anywhere in the world; these regimes were among its most notorious practitioners. In the mid-1970s, they joined forces along with Ecuador and Peru to create Operation Condor, a top-secret network of military dictatorships that kidnapped, tortured, and disappeared one another's political opponents. Their death squads operated both nationally and internationally, sometimes beyond the region. This third edition of *Historical Dictionary of the Dirty Wars* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on the countries themselves, guerrilla and political movements that provoked, though by no means exonerated, governmental reaction, leading guerrilla, human rights, military, and political figures, local, regional, and international human rights organizations, expressions of cultural resistance, art, film, literature, music, and theater, and artistic figures, filmmakers, novelists, and playwrights whose works attempted to represent or resist the period of repression. This book is an excellent access point for students, researchers, and anyone wanting to know more about the "dirty wars" of South America.

Historical Dictionary of the "dirty Wars" David R. Kohut, Olga Vilella, Beatrice Julian, 2003. During the 1970s and 1980s, national security regimes in Argentina, Chile, and Uruguay declared war on suspected subversives, carrying out campaigns of mass human rights violations. The *Historical Dictionary of the Dirty Wars* describes the period, including the background and aftermath.

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Requiem For A Womans Soul By Omar Rivabella**

In a global inundated with monitors and the cacophony of immediate transmission, the profound power and psychological resonance of verbal artistry often disappear into obscurity, eclipsed by the continuous onslaught of noise and distractions.
