What Nathan Wants Ruth Ann Nordin, 2010-09-06 What could a man who already has everything possibly want How about a baby Someone to carry on his business when he dies Nathan Rudolph interviews all the single women in his company They think they might get a job promotion but he comes with a marriage license instead And the winner isn't happy But he's dealt with difficult people before and is certain that in no time at all Amy Watson will be very happy to be Mrs Nathan Rudolph So he goes about the business of seducing his spouse Warning the characters in this book may be construed as immature The hero is a control freak who is underhanded and sneaky Under the guise of a job promotion he makes her sign papers so he can do a proxy marriage and the too stupid to live heroine doesn't even seek legal advice But that's not the worst of it This heroine is no kick butt female Though she protests the marriage over and over again she can't stop herself from snuggling up to him in bed and enjoys his kisses She even goes so far as to fulfill one of his fantasies If this is not your idea of comedy you're better off avoiding this book

Breaking the Rules (A Regency Romance) Ruth Ann Nordin,2020-02-27 They say a proper lady follows the rules She lets the gentleman take the lead She obeys her chaperone She is soft spoken and careful in everything she says and does She doesn t intrude into a gentleman s business And she most certainly doesn t

become the object of scandal Miss Lilly Lowell has been careful to follow the rules all of her life But the rules aren't helping her now when she needs it most She made the terrible mistake of spurning Mr Morris' attention and now he's looking for someone else to marry Determined to get him back she hatches a plan to make him fall in love with her again And doing so will require her to start breaking some rules Hurt by Miss Lowell's rejection Mr Roger Morris is seeking out another lady to court But after endless social engagements it starts to become clear to him that no one can take her place Whether he likes it or not he is doomed to love her She is the perfect lady for him But the last thing he wants to do is give in especially when she creates a scandal that forces him to marry her This might just be a match made in hell Or maybe quite possibly heaven as long as Lilly can figure out a way to make things right *The Duke's Secluded Bride (a gothic Regency Romance)* Ruth Ann Nordin, 2020-04-27 Most gentlemen wait to get married because they want time to enjoy being a bachelor before taking on the responsibilities of a married gentleman Baldwin Darby the Duke of Edmondstone isn't one of them The life of a rogue never appealed to him He's wanted nothing more than to fall in love and live a quiet and uneventful life ever since he could remember It wasn't by choice that he hasn't married yet He's just not very comfortable around ladies which makes the marriage part difficult for him So when his acquaintance mentions a sister at his country estate who is ready for marriage he jumps at the chance for an arranged marriage He's been told she is extremely shy and that it takes her time to open up around strangers so he might find her a bit strange when he initially meets her But this doesn't bother him He's a patient gentleman and can give her time to get used to him What he doesn't count on however is just how strange everything is when he gets to the country estate She refuses to leave her section of the manor she has to go to bed before it's dark and she has an unusual fascination for monsters Despite all of that she is beautiful and possesses a sweet temperament He wishes he could figure out a way to help her embrace a normal life If he keeps pressing for her to have a normal life he just might get his wish But nothing will prepare him for the truth This is loosely based off the Rapunzel fairy tale **The Marriage**
