**African Literature, Mother Earth and Religion** Enna Sukutai Gudhlanga, 2022-03-15 This book is a collection of essays that explore the intersection of Earth Gender and Religion in African literary texts It examines cultural religious theological and philosophical traditions and their construction of perspectives and attitudes about Earth keeping and gender This publication is critical given the current global environmental crisis and its impact on African and global communities The book is multidisciplinary in approach literary environmental theological and sociological exploring the intersection of African creative work religion and the environment in their construction of Earth and gender It presents how the gendered interconnectedness of the natural environment with its broad spirituality and deep identification with the woman features prominently in the myths folklores legends rituals sacred songs and incantations that are explored in this collection Both male and female writers in the collection laud and accept woman s enduring motif as worker symbol and guardian of the environment This interconnectedness mirrors the importance of the environment for the survival of both human and non human components of Mother Earth The ideology of women s agency is emphasised and reinforced by ecofeminist theologians namely those viewing African women as active agents working closely with the environment and not as subordinates In the context of the environmental crisis the nurturing role of women should be bolstered and the rich African traditions that conserved the environment preserved The book advocates the re engagement of women particularly their knowledge and conservation techniques and how these can become reservoirs of dying traditions This volume offers recorded traditions in African literary texts thereby connecting gender religion and the environment and helpful perspectives in Earth keeping

**The Role of Civil Society in Africa's Quest for Democratization** Abadir M. Ibrahim, 2016-12-08 This book tests many of the assumptions hypotheses and conclusions connected with the presumed role of civil society organizations in the democratization of African countries Taking a comparative approach it looks at countries that have successfully democratized those that are stuck between progress and regression those that have regressed into dictatorship and those that are currently in transitional flux and evaluates what role if any civil society has played in each instance The countries discussed South Africa Ghana Nigeria Ethiopia Egypt and Tunisia represent a diverse set of social and political circumstances and different levels of democratic achievement providing a rich set of case studies Each sample state also offers an internal comparison as each has historically experienced different stages of democratization Along the course of each case study the book also considers the effect that other traditionally studied factors such as culture colonization economic development and foreign aid may have had on individual attempts at democratization The first extensive work on civil society and democratization in Africa the book adds new insights to the applicability of democratization theory in a non

Western context both filling a gap in and adding to the existing universal scholarship This book will be useful for scholars of political science economics sociology and African studies as well as human rights activists and policy makers in the relevant geographical areas      **Reimagining Contract Law Pedagogy** Warren Swain,David Campbell,2019-01-14 Reimagining Contract Law Pedagogy examines why existing contract teaching pedagogy has remained in place for so long and argues for an overhaul of the way it is taught With contributions from a range of jurisdictions and types of university it provides a survey of contract law courses across the common law world reviewing current practice and expressing concern that the emphasis the current approach places on some features of contract doctrine fails to reflect reality The book engages with the major criticism of the standard contract course which is that it is too narrow and rarely engages with ordinary life or at least ordinary contracts and argues that students are left without vital knowledge This collection is designed to be a platform for sharing innovative teaching experiences with the aim of building a new approach that addresses such issues This book will have international appeal and will be of interest to academics researchers and postgraduates in the fields of law and education It will also appeal to teachers of contract law as well as governmental and legal profession policymakers

Leviticus S. Tamar Kamionkowski,2018-11-09 The book of Leviticus provides two different theologies related to God s presence within ancient Israel Leviticus 1 16 was written by an elite caste of priests P and Leviticus 17 26 H was added to the book to democratize access to God While the Priestly work has hardly inspired lay readers the Holiness Writings provide some of the most inspiring and well known verses from the Bible This volume shows how gender dynamics shift between the static worldview of P and the dynamic approach of H and that ironically as holiness expands from the priests to the people from the temple to the land of Israel gender behaviors become more highly regulated This complicates associations between power and gender dynamics and opens the door to questions about the relationships between power gender and theological perspectives      Routledge Handbook on Victims' Issues in Criminal Justice Cliff Roberson,2017-04-21 The Routledge Handbook on Victims Issues in Criminal Justice is a comprehensive and authoritative handbook on current issues with a distinctive emphasis on the delivery of suitable and effective services The editor provides an introduction and conclusion to the handbook synthesizing original contributions from current leaders in the field surveying victims rights in the United States victim participation in the criminal justice system victims welfare and needs and most notably the services that have been developed in response A section on special populations in the United States brings focus to current and emerging issues faced within the country while a section covering international and transnational victimization explores globalization and the implications of other legal traditions and systems This handbook addresses the crucial and complex topic of victims issues examining both societal and governmental reactions to victims concerns and acquainting readers with the issues that discord may cause and how they affect the provision of services This book will serve as an essential reference for academics and practitioners working with crime victims as well as for students taking courses in victimology criminology sociology and

related subjects      **Comparative Company Law** Mathias Siems, David Cabrelli, 2018-09-20 As attention moves rapidly towards comparative approaches the research and teaching of company law has somehow lagged behind The overall purpose of this book is therefore to fill a gap in the literature by identifying whether conceptual differences between countries exist Rather than concentrate on whether the institutional structure of the corporation varies across jurisdictions the objective of this book will be pursued by focusing on specific cases and how different countries might treat each of these cases The book also has a public policy dimension because the existence or absence of differences may lead to the question of whether formal harmonisation of company law is necessary The book covers 12 legal systems from different legal traditions and from different parts of the world though with a special emphasis on European countries In alphabetical order those countries are Finland France Germany Italy Japan Latvia the Netherlands Poland South Africa Spain the UK and the US All of these jurisdictions are subjected to scrutiny by deploying a comparative case based study On the basis of these case solutions various conclusions are reached some of which challenge established orthodoxies in the field of comparative company law
