## **Liturgical Calendar Methodist 2014:**

**The United Methodist Music and Worship Planner, 2014-2015** David L. Bone, 2014      Preaching on Social Suffering Jeremy Kangsan Kim, 2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering. He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering, one that has pastoral and prophetic approaches. These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community. Thus the author suggests that preachers adopt the biblical lament, highlighting its dual tasks of compassion, the pastoral dimension, and resistance, the prophetic dimension. The author, who is a non-Western Asian American preacher, also incorporates East Asian philosophical and hermeneutical research on a positive element of Confucianism into his argument. He applies this core concept of Confucianism to the preacher's homiletical strategy toward social suffering. Thus the author proposes that Korean preachers should recover *ren*, which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within and to the community.

**The State of Church Giving through 2021** John Ronsvalle, Sylvia Ronsvalle, 2024-07-23 Church people in the U.S. can make this age of affluence an age of intentional miracles. *The State of Church Giving through 2021: Intentional Miracles*, May 2024, is the 33rd edition in the *Intentional Miracles* series. Chapter 8 casts a vision of the potential for church members to impact in Jesus' name, one of the worst tragedies of our time: the number of children under the age of 5 dying from treatable causes, particularly in 40 countries. Other chapters in the new book update numbers for church member giving and membership through 2021, including a series for 1968-2021, a larger group for 2020-2021, a group of 11 denominations for 1921-2021, projections in giving and membership based on past patterns, and the basis for the confidence that there is potential among church members in the U.S. to increase their impact on this hurting world. Another chapter looks at giving patterns among all Americans through an analysis of U.S. Bureau of Labor Statistics Consumer Expenditure Survey data for 2021. Chapter 8 focuses on key points: What is an intentional miracle? How does pursuing intentional miracles prepare for the future? What makes this present time so special regarding intentional miracles? What would an intentional miracle look like? Are intentional miracles even possible?

*John Wesley in America* Geordan Hammond, 2014-05-23 Why did John Wesley leave the halls of academia at Oxford to become a Church of England missionary in the newly established colony of Georgia Was his ministry in America a success or failure These questions which have engaged numerous biographers of Wesley have often been approached from the vantage point of later developments in Methodism Geordan Hammond presents the first book length study of Wesley s experience in America providing an innovative contribution to debates about the significance of a formative period of Wesley s life John Wesley in America addresses Wesley s Georgia mission in fresh perspective by interpreting it in its immediate context In order to re evaluate this period of Wesley s life Hammond carefully considers Wesley s writings and those of his contemporaries The Georgia mission for Wesley was a laboratory for implementing his views of primitive Christianity The ideal of restoring the doctrine discipline and practice of the early church in the pristine Georgia wilderness was the prime

motivating factor in Wesley's decision to embark for Georgia and in his clerical practice in the colony. Understanding the centrality of primitive Christianity to Wesley's thinking and pastoral methods is essential to comprehending his experience in America. Wesley's conception of primitive Christianity was rooted in his embrace of patristic scholarship at Oxford. The most direct influence, however, was the High Church ecclesiology of the Usager Nonjurors who inspired him with their commitment to the restoration of the primitive church.
