Revelation Four Views A Parallel Commentary By Steve Gregg:

Revelation, Four Views Steve Gregg, 1997 Four Views of Revelation A Parallel Commentary covers the traditional views in an even fashion Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation *Finding the End of the World* Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley's book *Finding the End of the World* is a great resource for any serious student of God's Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almberg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship Inc Please visit www.findingrevelation.com for free instructor materials discussion boards and opportunities to contribute to the discipleship cause **Revelation** Practical Christianity Foundation, 2011 Often intimidating and especially open to broad interpretation the book of Revelation has been the source of controversy for hundreds of years Now through this easy to read devotional commentary Revelation will come alive as you read and study scholarly interpretations and compare the strengths and weaknesses of the theories presented Readers can form their own opinions about the most studied yet least understood book of the Bible With its graphic imagery forthcoming predictions and profound significance Revelation gives readers a simple interpretation on how the promises judgment for the wicked hope for the righteous and blessing for all who keep the words of the prophecy of this book will come to pass Revelation: Tribulation and Triumph Practical Christianity Foundation, 2022-09-08 The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ *Reading Revelation* C. Marvin Pate, 2009-05-01 Intriguing and

endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns *Revelation Realist* Eric V. Cline, 2023-02-03 Like the rest of the Bible Revelation is profitable for doctrine reproof correction and instruction for righteousness God's revelation of Jesus is not coded or a maze of literature with secrets for only theologians to decipher The Holy Spirit makes the central message of the Bible available to everyone Revelation uses literary devices within the context of a message to communicate an absolute truth Open this book enter this symbolic but authentic world and be transported by all the visions of Revelation Warning you may be shocked out of spiritual slumber **When the Perfect Comes** Dr. Brad Young, 2022-08-08 A masterful yet truly accessible survey of end time theology Young presents complex topics in a very readable manner all the while remaining faithful to Scripture Micah Redfield Master of Theology from Denver Seminary Scripture affirms what the apostles passed down to the early church including that the church will go through the entire Tribulation and the Antichrist will come from the Middle East If the Early Church and ancient Jewish writings including Hosea are correct the Tribulation might start within the next three years Brad Young examines what the Bible tells us about the end time as well as the Second Coming of Christ He considers questions such as Why should we study prophecy How do we discover prophetic truth Can the Bible's prophecies be trusted What happens before and during the Tribulation Who will the Antichrist be and what is the Mark of the Beast How should we prepare for the Tribulation and Second Coming He also examines why there is a need for the Tribulation what happens when Christ returns and what the Kingdom of God will be like Other topics include the role of Islam during the end time as well as the role of Russia Also how Iran will spark a war in the Middle East just before the Tribulation Simplified and condensed with over 500 references When The Perfect Comes covers all aspects of prophecy which affect our lives and instructs us on the signs to look for This is the only prophecy book you need to understand the end time and what to do about it Discover what the Bible tells us about the Second Coming of Christ and change your life forever with the wisdom in When the Perfect Comes **Wrath and Glory, 3rd Edition** David Reagan, 2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord's soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from

without Come out of Her My People Tony Kessinger,2004-01-14 Come Out of Her My People is the summons God issues to His people to disentangle themselves from the world Like the web of a spider the world ensnares the people of God with its allure This book is a study of how God continues to issue His call through the encouragement and exhortation of John the seven churches and to those who will be alive during the Tribulation period Never willing that anyone should perish God uses the Book of Revelation to take hold of mankind and shake his world in order to try and get his attention Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming The Revelation Rainbow Charles Walter Doughty,2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion **Discovering the New Testament** Mark J. Keown,2022-05-18 Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes reflecting current research and scholarship in New Testament studies Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application In this third volume Mark J Keown surveys Hebrews the General Epistles and Revelation In addition to covering introductory matters Keown addresses key concerns for each book such as the use of the Old Testament in Hebrews James s view of justification the relationship of 2 Peter and Jude and Revelation s various interpretative approaches Ideal for college or seminary students Discovering the New Testament provides numerous maps and charts as

well as discussion questions for each chapter and a focus on real life relevance and application

From Spectator to True Worshipper Mike Johnson, 2024-05-20 God created all things He sustains all things but He lacks one thing He's seeking True Worshipers who will worship Him in Spirit and Truth This is an urgent search because John 4:23 says the hour has come and now is the time for these true worshippers to come forward and make themselves known This battle with sin all started over worship and we are urged to make the right choice in terms of who we worship There's a loud and urgent message emphasised in Revelation 14:6 letting us know that the hour has come for us to worship the Creator The book *From Spectator to True Worshiper* addresses one of the key issues in our relationship with Christ and explores Biblical concepts and principles around worship that can be incorporated into personal and congregational worship settings God has given us a glimpse of eternity through the act of worship and there is an acceptable form that is pleasing to Him

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist *The Man of Sin* focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study

The Blackness of Utter Darkness M. Franklin Vance, 2011-07-08 What most people believe about hell is rooted in ancient legends as found in pagan religions and Greek mythology *The Blackness of Utter Darkness* compares the legend with the truth of Scripture The legend says that man is immortal Scripture says that immortality is conditional The legend says the wicked suffer torment forever Scripture says the wicked will perish The legend says that good deeds must exceed bad deeds to avoid eternal torment Scripture says that only those in Christ have eternal life *The Blackness of Utter Darkness* separates myth from reality regarding life death and the afterlife and is a must read for all who have been confused about the traditional view of hell as portrayed by Dantes *Inferno*

The Birth Pangs Michael Abdul-Malak, 2010-02 Unlike many books on the Second Coming *The Birth Pangs* explores prophecy starting with just the Bible and no preconceived ideas Author Dr Abdul Malak gives fresh and unique insight into key prophetic events and passages found throughout the Bible When it comes to controversial events such as the Second Coming or the timing of the Rapture he challenges mainstream theories in an objective and unbiased manner subjecting them to rigorous examination in light of other appropriate Scriptures His goal was to create a straightforward holistic account of the end times that any Christian can grasp *The Birth Pangs* is the fruit of that

labor With the trained eye of a diligent professional Dr Abdul Malak harnesses his experience with thousands of labors as a gynecologist taking readers on a fascinating journey through the most confusing and controversial parts of the Bible end time prophecies As a skilled surgeon he carefully dissects God s Word one layer at a time revealing the details and hidden treasures in the cryptic language of prophecy Like the labor process he believes that end time prophecy should be simple enough for every Christian to understand With detailed explanations and imagery Dr Abdul Malak reveals exactly why Jesus referred to the end times as The Birth Pangs **Tallis and Byrd's Cantiones Sacrae (1575)** Jeremy L. Smith, 2023 Offers a new interpretation by employing a musical literary theological and political discussion Encourages new ways of interpreting Tudor and Elizabethan sacred music **Revelation: Locked, with a Key** Timothy M. Cossette, 2025-09-24 Cloaked in mystery since it first appeared among the Seven Churches of Asia some 2000 years ago but within the pages of the book of Revelation is a decryption key to unlock the book for the Faithful in Christ to read and finally understand that last and mysterious book of the Bible **Reading the New Testament** Mark J.
