The "inscrutably Chinese" Church Nathan Faries,2010-01-01 The first half of the twenty first century promises to be a time of great change for the Christian church in the People s Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The Inscrutably Chinese Church moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close

GO...MAKE...RIPPLES Jennifer Godwin,2022-05-23 What does a meal prayer bumper sticker a baptism in a kitchen sink and a bold question have in common These are some of the ways people Rippled Jesus into Jennifer s life that led her into a personal relationship with Him Read how Jennifer grew into the Christian woman she is today through trials errors and perseverance While you read her story you will learn SIMPLE ways to share Jesus and how to help others grow spiritually This book will help you to reflect on the question What kind of ripples can I make for the Kingdom of God **By Faith and Fear: When All Else Fails** Luke R. Elie,2015-07-29 What is it that makes you move through life from opportunity to

opportunity Is it faith that inspires you to do things out of the ordinary or is it fear Fear is a scary force indeed If you're standing on a railroad track with a speeding train closing in what is your reaction Is it fear that you might die that forces you to move Is it faith that the train is on a destructive path that causes you to move Or is it just simple instinct born out of self preservation This is not a philosophical book and I do not want to waste time sorting out the differences The most important thing I have found in life is that faith makes me do things I thought I could never do and fear does likewise In this book we'll sort out many individuals in the Old Testament who were moved by both forces and yet were still called righteous They were all on an incredible journey But where were they going What were they really seeking Living by faith is probably the scariest thing you could ever choose to do Some would say it's the most foolish In his book *By Faith And Fear* Elie takes you through conversations and questions of faith that are designed to challenge stretch and inspire Focusing on contemporary issues and Biblical characters Elie explains what living a life of faith can cost but also how it can reap the biggest rewards *By Faith and Fear* is an excellent read one that will equip you for your personal faith journey Rev Liz Linssen pastor of Bethel Community Church Port Talbot UK and author of *Running with God*

Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy

Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
