The Holy Grail Juliette M Wood, 2012-09-15 The Holy Grail is one of the most fascinating themes in medieval literature It was described as the vessel used by Jesus to celebrate the first Eucharist and it became the object of the greatest quest undertaken by King Arthur's knight This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film It is a journey filled with knightly quests mystics and holy relics poets and novelists outlandish speculation and serious thought
