The Kingdom of God Has No Borders Melani McAlister,2018 In The Kingdom of God Has No Borders Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history outside of the United States weaving a fascinating tale that upends much of what we know or think we know about American evangelicals The Unnecessary Pastor Marva Dawn,Eugene Peterson,1999-11-17 Best selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors Pastors are strategically placed to counter the culture No other profession looks so inoffensive but is in fact so dangerous to the status quo Their weapon A gospel that is profoundly countercultural But standing firm in today s world isn t easy Powerful forces both subtle and obvious attempt to domesticate pastors to make them in a word unnecessary In this book two of today s most respected authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel Marva Dawn looks to Paul s letter to the Ephesians for instruction for churches seeking to live faithfully in today s world In turn Eugene Peterson explores Romans 1 and 2 Timothy and Titus drawing from them the correct view of pastoral identity Monster Frank E. Peretti,2006 This New York Times bestseller by the author of This Present Darkness follows a couple who while trekking through the beautiful Northwestern woods becomes the prey of something no human has ever seen **Words on Cassette, 2002** R R Bowker Publishing,2002 *The Church Between Gospel and Culture* George R. Hunsberger,Craig Van Gelder,1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork

for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices Perspectives on the New Age James R. Lewis, J. Gordon Melton, 1992-01-01 This book begins with a comprehensive historical section that places the New Age within the context of its predecessor movements It then focuses on specialized aspects of this subculture from essays on the convergence of New Age spirituality with women s spirituality to an essay on how Evangelical Christians have responded to the movement The book also examines the international impact of the New Age No Ordinary Angel Susan R. Garrett, 2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In No Ordinary Angel Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus No Ordinary Angel offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions The Goddess Revival Aída Besançon Spencer, Donna F.G. Hailson, Catherine Clark Kroeger, William David Spencer, 2010-09-01 The Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church history They recognize the bondage imposed by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegiance The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and

destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource Journal of Christian Nursing **Ascension and Apocalypse** Ron Pleune Jr.,2014-02-20 A Christian sci fi tale of Wendell Child a boy who has a troubled youth in a dystopian future Enrolling in a military space program to escape his troubles he finds himself on an out of this world journey fraught with danger A fast paced combination of CS Lewis Space Trilogy and Frank E Peretti s works like This Present Darkness it expresses new insights to Christian theology for those with an appetite for books like The Hunger Games and Divergent

The Radical Evangelical Nigel G. Wright,2016-08-31 The gospel we profess is the most radical power on earth reaching to the depths of our personal social and political existence It needs a radical people to embody and proclaim it This book examines the nature of evangelical theology dealing with areas of persistent disagreement and controversy such as the status of the Bible the nature of Christ s achievement on the cross and the meaning of hell It offers a new way forward that remains committed to the fundamentals of faith while retaining a flexible response to the challenges of the future **Virtue** ,1992
