- Give the systematic name of the alcohol that is formed by this hydrolysis. (1)
  - Propan(e)-1,2,3-triol
- What are the other monomers that make up this polymer? (3)  
(Hydrolysed by hot NaOH)
  - Two different carboxylic acids with  $\text{COO}^-(\text{Na}^+)$  - The monomers have  $\text{COOH}$  as it's not referring to the hydrolysed products but the monomer units of the polymer I'm pretty sure that the question said: "What are the other products of this hydrolysis" or something along those lines
  - One salt had a  $\text{C}=\text{C}$  double bond
- Why are people who drink a lot of goat's milk likely to suffer from CHD? (2)
  - Fatty acids build up in the arteries and lead to CHD?
  - Has trans isomer due to  $\text{C}=\text{C}$  double bond fatty acid linked to LDL's and hence Atherosclerosis
  - Trans-fatty acid in triglyceride of milk increases 'bad' cholesterol levels in blood, resulting in increased risk of coronary heart disease and stroke (straight from the spec)
  - trans fatty acids can pack more tightly and hence have higher melting points than cis fatty acids.  $\rightarrow$  so more likely to deposit on artery walls
  - The other two molecules were fully saturated fatty acids which would also lead to the formation of atheroma
- State how 4-aminophenol can behave as a base. (1)
- The lone pair on the Nitrogen atom in the amine group can accept a proton, forming a dative covalent bond with it to give  $\text{NH}_3^+$ .
- $\text{NH}_2 + \text{H}^+ \rightarrow \text{NH}_3^+$
- 4-Aminophenol is produced by the reduction of 4-nitrophenol. Write an equation to show the production of 4-aminophenol from 4-nitrophenol. Use  $[\text{H}]$  to represent the reducing agent. (1)
- $4\text{-Nitrophenol} + 6[\text{H}] \rightarrow 4\text{-Aminophenol} + 2\text{H}_2\text{O}$
- 4-nitrophenol can be produced from 4-bromophenol. (4)
  - Complete the mechanism for this reaction.
  - Use  $^+\text{NO}_2$  as the electrophile. Include any intermediate and the products.
  - In the mechanism for this reaction,  $\text{NO}_2$  substitutes for Br on the ring.

**Justice in Conflict** Mark Kersten, 2016 What happens when the international community simultaneously pursues peace and justice in response to ongoing conflicts What are the effects of interventions by the International Criminal Court ICC on the wars in which the institution intervenes Is holding perpetrators

of mass atrocities accountable a help or hindrance to conflict resolution This book offers an in depth examination of the effects of interventions by the ICC on peace justice and conflict processes The peace versus justice debate wherein it is argued that the ICC has either positive or negative effects on peace has spawned in response to the Court s propensity to intervene in conflicts as they still rage This book is a response to and a critical engagement with this debate Building on theoretical and analytical insights from the fields of conflict and peace studies conflict resolution and negotiation theory the book develops a novel analytical framework to study the Court s effects on peace justice and conflict processes This framework is applied to two cases Libya and northern Uganda Drawing on extensive fieldwork the core of the book examines the empirical effects of the ICC on each case The book also examines why the ICC has the effects that it does delineating the relationship between the interests of states that refer situations to the Court and the ICC s institutional interests arguing that the negotiation of these interests determines which side of a conflict the ICC targets and thus its effects on peace justice and conflict processes While the effects of the ICC s interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on ICC interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the Court s interventions in Libya northern Uganda and beyond

**Responsibly and Professionally Invigorating Development Act of 2013** United States. Congress. House. Committee on the Judiciary, 2014

*Stone Canvas* Pawel Lech Polkowski, 2023-03-27 This book presents proceedings of the conference devoted to rock art and graffiti studies in Egypt and Sudan that took place in Cairo from 10th to 12th November 2019 The thematic spectrum of the contributions is very wide in terms of both their geographical and their chronological range encompassing figural and textual sources dating from the Late Palaeolithic through the Predynastic Dynastic and Graeco Roman periods up to Christian and Islamic times Many of the papers combine evidence from various archaeological domains and also attempt to better integrate graffiti and rock art materials in search of a common ground for research Thus the volume provides a good overview of the current state of investigations in these two fields of study in Egypt and Nubia

organizations CMOs have become the nerve centres of copyright licensing in virtually every country Their expertise and knowledge of copyright law and management have proven essential to making copyright work in the digital age But they have also been at the centre of debates about their effectiveness transparency and governance This book provides an in depth analysis of the various operational CMO models their rights and obligations vis vis authors other right holders and users the acquisition of the legal authority to license and most importantly the rights to license digital uses of protected material and the creation or improvement of information systems to deal with the increasingly complex tasks of rights management and licensing All chapters have been updated since the third 2015 edition and several new chapters have been added including a new chapter on the economics of collective management and a chapter on limitation based remuneration rights Factors considered include the following cases where the unavailability of adequate licensing options makes authorized use of material protected by copyright or a related right difficult or impossible taking transaction costs into account the growing importance of extended repertoire systems and different forms of collective licensing with extended effect transnational and multi territorial licensing the relationship among collective management rights to remuneration and the ways in which CMOs acquire authority to license the threat of monopolies or regional oligopolies for the management of online music rights the impact of new technologies on collective rights management and licensing and the role of families such as the International Confederation of Societies of Authors and Composers CISAC and the International Federation of Reproduction Rights Organizations IFRRO The analysis covers the 1996 WIPO Copyright Treaties the US Digital Millennium Copyright Act the Santiago Agreement relevant EU policy documents and legislative instruments including the 2014 Collective Rights Management Directive and 2019 Copyright in the Digital Single Market Directive and the work of the UN Committee on Economic Social and Cultural Rights Part I presents a number of horizontal issues that affect collective management in almost every country Part II is organized geographically focusing on systems that are representative of the main models used in different countries and regions Each country or region specific chapter provides a historical overview and a description of existing CMOs and their activities provides financial information where available describes how CMOs are supervised or controlled by legislation and offers reflections on the challenges facing CMOs in that country or region Some of these national and regional commentaries are the only such sources of information available in English Whatever the future of copyright it is clear that users will continue to want access and the ability to legally reuse material and that authors and other rights holders will want to ensure that they can place some reasonable limits on those uses including the ability to monetize commercially relevant uses CMOs will certainly be critical intermediaries in this process The fourth edition of this important resource with its key insights into the changing nature of collective management will be of immeasurable value to anyone involved in shaping collective management policy or dealing with the increasingly complex legal issues that arise in copyright matters in the digital age and even more in the age of artificial intelligence and the training of large language

models      Criminality at Work Alan Bogg, Jennifer Collins, Mark Robert Freedland, Jonathan Herring, 2020 Edited by four leading law scholars this volume explores the political and regulatory dimensions of modern criminality at work from a wide range of disciplinary perspectives      Democracy, Media and Law in Malaysia and Singapore Andrew T. Kenyon, Tim Marjoribanks, Amanda Whiting, 2013-12-04 Commentators on the media in Southeast Asia either emphasise with optimism the prospect for new media to provide possibilities for greater democratic discourse or else less optimistically focus on the continuing ability of governments to exercise tight and sophisticated control of the media This book explores these issues with reference to Malaysia and Singapore It analyses how journalists monitor governments and cover elections discussing what difference journalism makes it examines citizen journalism and the constraints on it often self imposed constraints and it assesses how governments control the media including outlining the development and current application of legal restrictions      **Sexual Humour in Africa** Ignatius Chukwumah, 2022-03-30 This book examines the types discourse modes and effects of sex jokes in different African contexts in a range of different cultural forms from the internet to music books films advertising and images thus filling the existing void in literature on the subject Arguing that sex jokes are used to perform a number of functions in African society the contributors show how they can be used to perpetuate violence against women construct spaces resist oppression create conformity build affiliations and subvert morality They consider jokes from Egypt Ghana Nigeria Kenya and Zambia in a range of forms including queer sex jokes rape jokes performed sex jokes gendered humour and resistance sex humour The book places particular emphasis on the impact of new media platforms and the anonymity they provide Providing an important analysis of this tabooed but culturally important facet of everyday life this book will be of interest to scholars of African culture and society from a range of disciplines including anthropology gender studies literary studies and sociology      Property Law 2019-2020 Robert Abbey, Mark Richards, 2019 Property Law combines accessible overviews of the conveyancing procedure with a pragmatic approach Enhanced by realistic case studies examples and professional conduct points throughout this text equips the reader with the knowledge and skills required to conduct conveyancing transactions in practice      The Art of Middle Management in Secondary Schools Peter Fleming, 2013-12-19 First Published in 2000 The skills required to be an effective middle manager in a secondary school are many and varied but people management skills lie at the heart of getting the best out of both teachers and pupils Motivating people and building a collaborative team ethos are at the core of effective management This book is about how middle managers can contribute to raising the quality of education in their schools through proficient team leadership      **Radical Right Parties in Central and Eastern Europe** Bartek Pytlas, 2015-10-16 In Central and Eastern Europe radical right actors significantly impact public debates and mainstream policy agenda But despite this high discursive influence the electoral fortune of radical right parties in the region is much less stable It has been suggested that this may be due to the fact that mainstream competitors increasingly co opt issues which are fundamental for the radical right However the extent to which such tactics play a role in

radical right electoral success and failure is still a subject for debate This book is the first to provide a systematic theoretical framework and in depth empirical research on the interaction between discursive influence party competition and the electoral fortune of radical right parties in Central and Eastern Europe It argues that in order to fully explain the impact of mainstream party strategies in this regard it is vital to widen the analysis beyond competition over issues themselves and towards their various legitimizing narratives and frame ownership Up to date debates over policies of collective identity minority morality and nationalizing politics in Hungary Poland and Slovakia serve as best cases to observe these under researched phenomena The analytical model is evaluated comparatively using original primary data combined with election studies and expert surveys Advancing an innovative fine grained approach on the mechanisms and effects of party competition between radical right and mainstream parties this book will be of interest to students and scholars researching the far right and European party politics as well as political contestation and framing

**Free and Open Source Software (FOSS) and other Alternative License Models** Axel Metzger, 2015-11-30 This book discusses the main legal questions raised by free and open source software FOSS licenses and other alternative license models such as Creative Commons The legal questions raised by FOSS and other alternative licenses have been the subject of an intense international debate among legal scholars and practising lawyers in the last years Courts in different jurisdictions have confirmed that the core features of FOSS licenses are compliant with the respective applicable laws and thus enforceable in the respective jurisdictions What is still missing so far is an in depth comparative analysis of the legal issues raised by FOSS Creative Commons and other alternative license on a worldwide scale This book presents a general report on FOSS licenses and alternative license models to establish common ground and enable comparison between jurisdictions The general report is followed by 24 national reports covering the world's most important IT markets General and national reports use the same structure to facilitate the comparison The book shows that despite the differences in their origins all FOSS projects use detailed licenses for the organisation of their communities It also shows the differences in the proofing of these licenses by courts in some jurisdictions and the tailor made provisions established by some legislators to solve the legal issues raised by the license model

**Sites of Popular Music Heritage** Sara Cohen, Robert Knifton, Marion Leonard, Les Roberts, 2014-08-27 This volume examines the location of memories and histories of popular music and its multiple pasts exploring the different places in which popular music can be situated including the local physical site the museum storeroom and exhibition space and the digitized archive and display space made possible by the internet Contributors from a broad range of disciplines such as archive studies popular music studies media and cultural studies leisure and tourism sociology museum studies communication studies cultural geography and social anthropology visit the specialized locus of popular music histories and heritage offering diverse set of approaches Popular music studies has increasingly engaged with popular music histories exploring memory processes and considering identity collective and cultural memory and notions of popular culture's

heritage values yet few accounts have spatially located such trends to focus on the spaces and places where we encounter and engender our relationship with popular music's history and legacies. This book offers a timely re-evaluation of such sites, reinserting them into the narratives of popular music and offering new perspectives on their function and significance within the production of popular music heritage. Bringing together recent research based on extensive fieldwork from scholars of popular music studies, cultural sociology and museum studies alongside the new insights of practice-based considerations of current practitioners within the field of popular music heritage, this is the first collection to address the interdisciplinary interest in situating popular music histories, heritages and pasts. The book will therefore appeal to a wide and growing academic readership focused on issues of heritage, cultural memory and popular music and provide a timely intervention in a field of study that is engaging scholars from across a broad spectrum of disciplinary backgrounds and theoretical perspectives.
