Catharine Christof, 2017-03-27 This book opens a new interdisciplinary frontier between religion and theatre studies to illuminate what has been seen as the religious or spiritual nature of Polish theatre director Jerzy Grotowski s work The central argument is that through an embodied materialist approach to religion and through a critical reading of the concepts of the New Age a new understanding of Grotowski and religion can be developed This is a vital reference for academics in both Religion and Theatre Studies that have an interest in the spiritual aspects of Grotowski s work **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12 Collective Creation in Contemporary Performance Kathryn Mederos Syssoyeva, 2013-08-28 This edited volume situates its contemporary practice in the tradition which emerged at the beginning of the twentieth century Collective Creation in Contemporary Performance examines collective and devised theatre practices internationally and demonstrates the prevalence breadth and significance of modern collective New Theatre Quarterly 46: Volume 12, Part 2 Clive Barker, Simon Trussler, 1996-10-03 One of a series discussing topics of interest in theatre studies from theoretical methodological philosophical and historical perspectives The books are aimed at drama and theatre teachers advanced students in schools and colleges arts authorities actors playwrights Jerzy Grotowski and Ludwik Flaszen Juliusz Tyszka, 2021-08-27 The book contains three accounts of five public speeches and conversations with the public of two outstanding figures of theatre and performance Jerzy Grotowski and Ludwik Flaszen from 1993 to 1997 Their speeches concern their output and their current research The content of Ludwik Flaszen's speech is very closely related to the output of Jerzy Grotowski The accounts are written on the base of the author's detailed notes.
