he is today **The Zahir** Coelho,2015-05-24 The unnamed narrator of this story is a wildly successful novelist and celebrity who lives in Paris with his wife Esther a war correspondent who speaks four languages Their marriage has hit a dry spot and she is restless wanting to move on in search of her own happiness When Esther disappears he is tormented and traumatized by the mystery of what has happened to her Has she been kidnapped killed or has she left him for another lover The narrator has had plenty of success in his life well attended book signings power lunches with film industry people and interviews with journalists But it all leaves him with a sour taste in his mouth He remembers a story by Jorge Luis Borges about a mystical coin A year later I wake thinking about the story by Borges about something which once touched or seen can never be forgotten and which gradually so fills our thoughts that we are driven to madness My Zahir is not a romantic metaphor a blind man a compass a tiger or a coin It has a name and her name is Esther The narrator's struggle is that of a man as trying to come to terms with something he cannot understand or control the mystery of Esther's absence It is very hard for him to let go of his feeling that she is the only one who fills his life with meaning The inner journey he takes opens him up to new possibilities Then Mikhail the last person Esther was seen with contacts the narrator and promises to take him to her Mikhail a young man who works with unhappily married couples has his own spiritual perspective on love Coelho has not created a masterwork on the level of The Alchemist but for those who are willing to travel lightly there are some interesting insights here on obsessive love the emptiness of celebrity status success and the courage needed to square off against the mysteries and rewards of letting go of ego and stepping into the dark unknown **The Lotus Petals** Ferial Esmaeeli,2023-06-23 Is

[Treasure: A Soul Journey With The Invisible](#) Karen Williams, 2018-12-31 *TREASURE* is the true story of how the iconic fable *The Alchemist* by Paulo Coelho psychically predicted the future and what would happen to Karen Williams in real life This was at a time when Karen had never heard of Coelho s famous book It is a story about the passion for a dream and how this passion revealed to Karen the language of signs and coincidences which the spiritual realm uses to speak to each of us Living in Andalusia in southern Spain in the 1990s Karen dreams of finding and living from her soul One night after visiting her favourite ruin she has a dream in which she is reborn and with this her soul quest begins Just as in Coelho s *The Alchemist* it takes her to Tarifa and Tangiers and then through a metaphorical desert finally ending at a place of pyramids as she searches for her treasure But this is only just the beginning of a truly supernatural odyssey which goes on for another 18 years In that time Karen dedicates her whole being to the slow and sometimes incredibly painful unraveling of the real meaning of the allegory known to millions as *The Alchemist* What she discovers is far deeper and more transcendental than she ever imagined and touches the lives of all of us who now stand at the beginning of a new millennium hoping for a new world and a new dawn
