To Bid Or Not To Bid By Larry Cohen:

To Bid Or Not to Bid Larry Cohen, 1992 One of the most difficult areas in bridge is competitive bidding at part score and game levels This book deals with this problem and introduces the Law of Total Tricks The Law based on the trump holdings of both sides is of value in competitive bidding as it allows a more accurate judgement to be made as to whether to continue or whether to go for penalties This book explains the Law in simple terms

THE CASEY TWO OVER ONE BRIDGE BIDDING SYSTEM Ken Casey, 2024-01-17 This book contains an innovation that makes it much easier to bid slams This innovation will enable the bridge community to dramatically increase its bidding of grand slams This book incorporates the 2 1 Game Force bidding system for major suit opening This book also expands the Game Force system to partners holding 5 spades and an opening hand The forcing response when R has 6 12p and a spade response is modified to show if O has 3 card spade support The traditional 2 1 system is modified by the mechanics of a fast arrival convention to show game level points In addition a simple worthless suit convention using a single bid is employed to show a worthless suit as opposed to the more complicated control system used in traditional 2 1 For minor suit openings the book presents a simple method for using reverses The book also shows how to use the Jacoby Transfer mechanism to show R s 5 card major The book then shows how R can effectively use inverted minors to hamper the opponents bidding The book next shows how to bid overcalls of a 4 card heart suit to hamper the opponents from finding their spade suit The book outlines the Kantar slam bids and shows how to locate the trump Queen after a 4NT bid Finally the book shows how to improve slam bidding using the Minorwood convention Ken has published 5 core books on how to play bridge Beginning Bridge 5th ed 2023 Tournament Bridge for Intermediate Players 5th ed 2021 Advanced Bridge 4th ed 2021 Bridge Defense 4th ed 2020 and Bridge for Notrump Contracts 4th ed 2020 Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney Ken also has an MBA in accounting and a CPA

you are going to have to accommodate this failing and improve your defence It is a hard part of the game even in international competitions the standard of defensive play is to put it kindly modest Yes you will get plenty of reports of brilliances involving spectacular switches deceptions unblocks and discards of honours But for every one of those there are countless others in which the display would disgrace any beginners class I am going to assume that you are a regular club or tournament player who knows the basics of defence but who comes unstuck when it comes to situations where you have to work the hand out in detail This book will help you to improve dramatically in this area Danny Roth The Best of Bridge Today Digest Matthew Granovetter,Pamela Granovetter,2001 Bridge Today Digest recently celebrated its first anniversary and 100th issue as an Internet based bridgezine It is renowned for its practical advice its wonderful bridge stories and the wry humour and personal touch of its editors For this collection they have selected the very best pieces from their first year and come up with a compendium that every bridge player can read enjoy and learn from It includes short pieces from world renowned writers questions and comments from readers and the editors responses to them and a wealth of fascinating hands anecdotes and advice from the editors Playing a Suit Contract Ken Casey,2016-01-13 This book is designed to give a comprehensive and systematic view of the rules of play for suit contracts The various subjects contain rules for when to use the dummy reversal when to spurn a finesse when to duck a trick the avoidance play how to handle a defenders singleton how to discard how to unblock how to deceive how to handle transportation problems and how to make inferences from the defenders bidding opening lead play and discards Under each subject there are numerous examples of how to handle each rule of play
