

A stylized wireframe illustration of a human head in profile, facing right, rendered in a golden-brown color against a black background. The head is composed of a mesh of lines. Several yellow lines, resembling circuit traces, extend from the head and connect to various text boxes. One line starts at the top of the head, goes up, then right, then down to a box. Another line starts near the ear, goes right, then down to a box. A third line starts near the chin, goes down, then right to a box. A fourth line starts near the bottom of the head, goes down, then right to a box. The lines end in small circles.
