Wicked Cravings The Phoenix Pack 2 By Suzanne Wright:

Wicked Cravings Suzanne Wright, 2013 For years wolf shifter Jaime Farrow has harbored a not so secret crush on gorgeous Dante Garcea But the time has come for Jaime to face facts despite her best efforts Dante just isn't interested And that's probably for the best The last thing Jaime needs is for anyone particularly Dante to find out about her little problem The one that haunts her past and threatens to destroy her and everyone she loves As the pack Beta workaholic Dante Garcea is responsible for the protection and safety of his entire pack and doesn't have time for distractions especially the kind promised by Jaime Farrow It's all he can do to keep her at arm's length and his own desire at bay Yet when her flirtations abruptly end Dante becomes suspicious If a wolf is hiding something that could endanger the others it's his business to know about it And she is hiding something something big and unless he can convince her to trust him their entire pack could be in danger But after years of keeping her and his desire at arm's length he is forced to confront the danger she poses to their pack and the passion smoldering between them He knows hot headed Jaime will resist him but Dante never takes no for an answer
