Research Relating to Children , The Handbook of Community Safety Gender and Violence Prevention

Carolyn Whitzman,2012-05-16 Violence and insecurity are among the most important issues facing communities in the 21st
century Both family violence and community violence are rapidly rising in the urbanizing nations of theSouth and richer
nations are also facing increased concern about the health social economic and environmental costs of violence and crime
The Handbook of Community Safety Gender and Violence Prevention is the first book to gather together research and
examples from a gendered perspective of local regional and international interventions that work to prevent crime violence
and insecurity Case studies of successful initiatives from every continent in settings that vary from large cities to rural areas
are analysed to provide cross cultural lessons of what works and what doesn t The book presents essential practical advice to
professionals such as how to obtain diagnostic information on incidence and impacts of violence how to develop maintain and
evaluate policies and programmes that can effectively promote community safety and how to create trust and effectiveness in
