Let This Grieving Soul Retire: Volume 2 (Light Novel) Tsukikage,2023-07-05 Krai has been on edge ever since realizing he accidentally released the Sitri Slime a deadly creation that could bring the entire capital to ruin and now the Explorers Association is asking for his help investigating strange occurrences in and around the city To make matters worse Krai s thoughtless response escalates the situation into a national disaster And to top it off Sitri Smart Alchemist of the Grieving Souls returns amid the chaos With a devastating slime on the loose and an evil magic syndicate lurking in the shadows can

the Grievors save the capital from the unseen perils they've unleashed upon it [Anna Zieglerin and the Lion's Blood](#) Tara Nummedal, 2019-04-19 In 1573 the alchemist Anna Zieglerin gave her patron the Duke of Braunschweig Wolfenbüttel the recipe for an extraordinary substance she called the lion's blood. She claimed that this golden oil could stimulate the growth of plants, create gemstones, transform lead into the coveted philosopher's stone, and would serve a critical role in preparing for the Last Days. Boldly envisioning herself as a Protestant Virgin Mary, Anna proposed that the lion's blood paired with her own body could even generate life, repopulating and redeeming the corrupt world in its final moments. In *Anna Zieglerin and the Lion's Blood*, Tara Nummedal reconstructs the extraordinary career and historical afterlife of alchemist, courtier, and prophet Anna Zieglerin. She situates Anna's story within the wider frameworks of Reformation Germany's religious, political, and military battles, the rising influence of alchemy, the role of apocalyptic eschatology, and the position of women within these contexts. Together with her husband, the jester Heinrich Schombach, and their companion and fellow alchemist Philipp Sommering, Anna promised her patrons at the court of Wolfenbüttel spiritual salvation and material profit. But her compelling vision brought with it another, darker possibility: rather than granting her patrons wealth or redemption, Anna's alchemical gifts might instead lead to war, disgrace, and destruction. By 1575, three years after Anna's arrival at court, her enemies had succeeded in turning her from holy alchemist into poisoner and sorceress, culminating in Anna's arrest, torture, and public execution. In her own life, Anna was a master of self-fashioning; in the centuries since her death, her story has been continually refashioned, making her a fitting emblem for each new age. Interweaving the history of science, gender, religion, and politics, Nummedal recounts how one resourceful woman's alchemical schemes touched some of the most consequential matters in Reformation Germany.
