John Randolph Price,2000-09-01 From an ancient formula the secret of the ages we find the precepts to create an Ideal Life where all you have ever wanted is brought into material form and physical experience In this exciting book John Randolph Price brings us the ancient science of Dynamic Alchemy to rapidly accelerate the realization of peace and plenty and dissolve the false belief that conflict and scarcity could possibly exist in a universe of love and infinite givingness Rather than changing lead into gold the step by step alchemical process that Price gives us focuses on creating a new world by bringing into visibility the forms and experiences we choose for greater joy and fulfillment in life Dynamic alchemy calls for us to fully understand cause and effect mind and manifestation and energy and matter and to move from what may be considered passive spirituality to positive assertiveness in our rediscovery of the ideal life By recognizing the power of the mind and the unity of spirit and matter dynamic alchemy progresses from spiritual mysticism to Divine Materialism Creative Principle at work materializing in the world of form which Price points out is wholly sanctioned by the Great Power ordering all things and the Great Thought producing all things It is a spiritual process for those who are ready to assume responsibility for their lives as active co creators [The Alchemist's Handbooks](#) Mary Hardy,Rozlynn Orr,Dotty Nonman,Marcy Foley,2015-07-01
