Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory Bonnie Raitt Mark Bego,2003 This book is the definitive biography of the Grammy Award winning singer songwriter and political activist whose career rose rapidly in the 1970's stalled in the 1980's and resurged in the 1990's **Women in Music** Karin Pendle,Melinda Boyd,2012-07-26 Women in Music A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music *To Broadway, To Life!* Philip Lambert,2010-12-17 To Broadway To Life The Musical Theater of Bock and Harnick is the first complete book about these creative figures one of Broadway's most important songwriting teams The book draws from personal interviews with Bock

and Harnick themselves to offer an in depth exploration their shows including *Fiddler on the Roof* *She Loves Me* and *Fiorello* and their greater place in musical theater history *Joni Mitchell* Mark Bego,2005-05-26 In February of 1996 Joni Mitchell was honored by the Grammy Awards in two separate categories which represent the two sides of her creativity As an accomplished painter her self portrait on the cover of her *Turbulent Indigo* album won her the trophy as Best Album Cover Artist and the music contained on the LP won the Best Pop Performance Female Only months later it was her personal life that was in the headlines as news that the daughter she had given up for adoption as a teenager had been seeking her birth mother With all of this creative and personal activity in her life Joni is officially back in the spotlight and the time has come for a hard cover biography on this fascinating star Including revealing information from exclusive new interviews rare TV interviews and several inside sources Joni s friends rivals and contemporaries this book will fully examine this beloved performer from every angle public and private Mark Bego will also recount his own 1990s personal interview with the elusive Joni Mitchell herself The book will include an examination of Joni s sudden role as a mother in her 50 s as her daughter Kileen successfully finds her after over 30 years The truth about her rumored love affairs with Crosby Stills Nash AND Young Her relationships with James Taylor Bonnie Raitt Linda Ronstadt Bob Dylan Peter Gabriel Judy Collins and Georgia O Keefe Joni s rich catalog of music and her place in rock roll history Mazal Tov, Amigos!
