Stallter,2022-02-15 What we fear most has ironically come upon us as Western individualists We are being controlled by the invisible forces of culture and they have come between God and us Silent but in the background of all we do and think its influence cannot be overlooked We condone and even encourage and champion the very things that create distance between our needs and God s goodness between our plans and his destiny for us between our weakness and his strength We have been deceived Not only have we created distance between us but we seldom free God from these cultural and personal expectations and let him speak for himself We have locked God into our system and in the end distracted by our needs for social and personal survival We must turn our eyes toward him open our ears to his voice and let him speak *Abraham Joshua Heschel Today* Harold Kasimow,2020-08-07 Abraham Joshua Heschel remains one of the most creative Jewish thinkers of the twentieth century These essays demonstrate that Heschel became a spiritual guide not only in America but in many other parts of the world especially in Poland where he was born and in Israel where the prophets gave the world a dream of everlasting peace The Holy Books of Judaism Louis Ginzberg,Heinrich Graetz,Judah Halevi,Moses Maimonides,Samuel Rapaport,Simeon Singer,Nurho de Manhar,Abraham Cohen,2023-11-22 The Holy Books of Judaism offers an extensive exploration of Jewish sacred texts encapsulating an array of literary styles and historical contexts that define Judaic literature This anthology is a tapestry of theological discussions philosophical insights historical accounts and mystical narratives providing a broad spectrum of Jewish intellectual and spiritual traditions Each piece within this collection stands as a testament to the diverse voices that have shaped Jewish thought through the ages from rigorous legalistic arguments to profound poetic expressions

A Jewish Understanding of the New Testament
Rabbi Samuel Sandmel, 2012-10-05
An in depth look at the Christian scriptures from a Jewish perspective. On Christmas day 1925 Rabbi Stephen S Wise one of the twentieth century's most influential Jewish leaders gave a lecture at Carnegie Hall in New York City titled A Jew's View of Jesus. He argued that Jesus in fact existed contrary to popular Jewish opinion at that time. He said Neither Christian protest nor Jewish lamentation can annul the fact that Jesus was a Jew an Hebrew of Hebrews. Thirty years later Rabbi Samuel Sandmel set out to explain and introduce for the first time in scholarly detail from a Jewish perspective the enigmatic character of the texts held sacred by Christians the so called New Testament that surrounds and presents the figure of Jesus. In this new edition of Sandmel's classic work you will encounter his lucid and brilliant introduction to the New Testament from a Jewish point of view transcending the boundaries of religion in order to share in the profound perplexities and deep aspirations that we as human beings have been inspired to express.
