Between Man And Man Routledge Classics

Meins G. S. Coetsier

Between Man And Man Routledge Classics:

The Undiscovered Self C.G. Jung, 2014-12-18 In *The Undiscovered Self* Jung explains the essence of his teaching for a readership unfamiliar with his ideas. He highlights the importance of individual responsibility and freedom in the context of today's mass society and argues that individuals must organize themselves as effectively as the organized mass if they are to resist joining it. To help them achieve this, he sets out his influential programme for achieving self understanding and self realization. *The Undiscovered Self* is a book that will awaken many individuals to the new life of the self that Jung visualized.

From New Age to New Gnosis Peter Wilberg, 2003 Peter Wilberg presents a political history of the subversive gnostic theologies of the first century and with it a theopolitical critique of the ruling god concepts of the 21st century. *From New Age to New Gnosis* is spiritual Marxism and a powerful spearhead aimed at the New World Order of economic liberalism, neo conservatism and military imperialism. It challenges all four faces of its famous dollar pyramid: the idolatry of new technologies, the reduction of the human being to a genetic machine, the politically illiterate platitudes of New Age spirituality and the spiritual illiterate literalism of Christian biblical fundamentalism and racist Zionism, which now see their own zealotry mirrored and confronted by militant Islam. What Peter Wilberg recognizes is that what our divided world now calls for is not a revival of fundamentalisms of any sort but a New Gnostic spirituality that understands the wordless knowledge within the word. **Seth**

The Qualia Revolution Peter Wilberg, 2004-04 The most fundamental scientific fact is not the existence of the physical universe but our awareness of that universe. Not even the most advanced physics, physiology or psychology, however, can explain even the most elementary qualities of our sensory awareness of that universe: qualities such as redness, for example. Qualia used to be defined as sensory qualities such as colour and tone. But what if awareness is not an empty receptacle for sensory impressions but has its own intrinsic sensual qualities of the sort we experience as the inwardly sensed shape and substantiality of our bodies, the sensed lightness or darkness, colour or tone of our moods, or a sensed feeling of warmth or coolness, closeness or distance to another human being? What if such sensual qualities of awareness are intrinsically meaningful, being the felt essence of meaning or sense, is not energetic quanta but qualia in this sense: sensed and sensual qualities of awareness that are the basic stuff of which the universe is composed? It argues that qualia are not simply qualities of our own human awareness but fundamental units of awareness. Atoms, molecules and cells are recognised as the physical form taken by field patterns of atomic, molecular and cellular awareness composed of such units. The soul is understood as an ever changing gestalt of such units, each of which possess characteristics of both unit and field, particle and wave, allowing the soul qualities of our own awareness to mix and merge with those of all other beings. **Etty Hillesum**

and the Flow of Presence Meins G. S. Coetsier, 2008 Although she died cruelly at Auschwitz at the age of twenty nine, Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries. Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances. Her life was as much

shaped by Hitler's regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective Etty Hillesum and the Flow of Presence analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought

The Possibility of Love Kathleen O'Dwyer, 2009 The Possibility of Love is an exploration of a concept close to the human heart Grounded in the ordinary everyday experiences of human living the book provides an exploration of the diverse obstacles to the experience of love the consequences of love's absence and the unquenchable desire for love which propels influences and ultimately motivates much of human behaviour The Possibility of Love poses the question is love actually possible between human beings or is it an ideal a fantasy an illusion or a comforting aspiration which enables a palliative denial and distortion of the reality of human being This expansive question is approached through an interdisciplinary analysis The author addresses the question of love's possibility as it is explored in a selection of literature from the disciplines of philosophy psychoanalysis and poetry The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines and that this interconnection enables a unique and insightful exploration of the question of love's possibility Thus the question is explored from diverse view points and also from different time frames convergences and divergences are noted and discussed and conclusions are drawn from the ensuing findings The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge wisdom and truth Thus it is a uniquely honest exploration of human nature in contemporary times

Transcendent Teacher Learner Relationships Hunter O'Hara, 2020-10-12 Now more than ever high quality relationships between teachers and learners are critical to deep meaningful learning and to the

learner's long term success Transcendent Teacher Learner Relationships The Way of the Shamanic Teacher Second Edition explores the nature of the transcendent teacher learner relationship and precisely how such relationships of warmth safety mutual care mutual respect and mutual trust are developed and maintained Personal narratives from the classroom frontlines as well as the analysis contained herein provide a fresh outlook a roadmap that leads to the most transformative relationships imaginable for teachers and learners

On the Power and Limits of Empathy Manuel Camassa, 2023-09-27 This book has two main objectives The first is to identify and adequately describe the phenomenon of empathy This essentially means offering a strong reasoned and accurate description of the phenomenon of empathy in order to capture the essence of the empathic phenomenon and clearly distinguish it from other similar emotional phenomena such as sympathy or compassion The second part focuses on the role that this phenomenon can play on the ethical moral level The question is whether empathy is necessary or at least important for morality and if so to what extent in what way and for what reasons This is an open access book

[Spirituality in the Writings of Etty Hillesum](#) Klaas Smelik, Ria van den Brandt, Meins G. S.

Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914 1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines

Between Man and Man Martin Buber, 2003-09-02 Scholar theologian and philosopher Martin Buber is one of the twentieth century's most influential thinkers He believed that the deepest reality of human life lies in the relationship between one being and another Between Man and Man is the classic work where he puts this belief into practice applying it to the concrete problems of contemporary society Here he tackles subjects as varied as religious ethics social philosophy marriage education psychology and art Including some of his most famous writings such as the masterful What is Man this enlightening work challenges each reader to reassess their encounter with the world that surrounds them

Relations. Beyond Anthropocentrism. Vol. 3, No. 1 (2015). Wild Animal Suffering and Intervention in Nature: Part II AA. VV., 2016-04-19T16:40:00+02:00 Relations Beyond Anthropocentrism is a peer refereed journal of trans anthropocentric ethics and related inquiries The main aim of the journal is to create a professional interdisciplinary forum in Europe to discuss moral and scientific issues that concern the increasing need of going beyond narrow anthropocentric paradigms in all fields

of knowledge The journal accepts submissions on all topics which promote European research adopting a non anthropocentric ethical perspective on both interspecific and intraspecific relationships between all life species humans included and between these and the abiotic environment Archbishop Fulton Sheen, the Contemporary Humanist Emmanuel K. Ngwainmbi, Rev. Fr. John Berinyuy, 2023-08-30 This book is a theological reflection of Sheen's contribution to humanity and society It analyzes the modern person from the Catholic doctrinal perspective explores Fulton Sheen's perception of the contemporary individual and demonstrates that global economic religious and political crises cannot be resolved by focusing only on the mundane It further underscores some contemporary anthropological challenges and proposes a philosophy and theology of life that can enable contemporary humans to know themselves better and make life worth living The authors argue that advancements in science and technology have failed to prolong happiness people are still frustrated disillusioned cynical bored and suicidal This book enters the landscape of Sheen's controversial pause before he was sanctified and provides a lengthy liturgical extrapolation of Sheen's Christian anthropology wrestling with other thinkers and general concerns surrounding human angst in modern society *Pirkei Avot* Rabbi Dr. Shmuly Yanklowitz, 2018-05-30 *Pirkei Avot* is the urtext of Jewish practical wisdom In many ways the words of *Pirkei Avot* were the first recorded manifesto of social justice in Western civilization This commentary explores text through a lens of contemporary social justice and moral philosophy engaging both classical commentators and modern thinkers Signs of Salvation Mark Randall James, Randi Rashkover, 2021-03-30 Peter Ochs is one of today's most influential Jewish philosophers and the cofounder of the practice of Scriptural Reasoning *Signs of Salvation* A Festschrift for Peter Ochs celebrates Ochs' deep and wide ranging contributions to theology philosophy interreligious dialogue and conflict resolution studies The volume offers a rich and rigorous introduction to Peter Ochs' extensive body of work and his philosophy of scriptural pragmatism In addition it presents engaging essays by Ochs' colleagues friends and former students who reflect on the impact his work has had on their academic field and their own thought Contributors raise questions about the task of philosophy and the nature of reasoning the appropriate function and limits of the Western academy the practice of Scriptural Reasoning and its significance for interreligious dialogue and the future of modern theology With contributions from Robert Gibbs Nicholas Adams Daniel Weiss Jim Fodor Jacob Goodson Emily Filler Rumi Ahmed Basit Koshul Nauman Faizi Rachel Muers Eliot Wolfson Steven Kepnes Shaul Magid Mike Higton Tom Greggs Susannah Ticciati Stanley Hauerwas **Gender Justice in Muslim-Christian Readings** Anne Hege Grung, 2015-09-29 In recent decades women in the Christian and Islamic traditions have been negotiating what it means to participate in religious practice as a woman within the two traditions and how to interpret canonical scripture This book creates a shared space for Muslim and Christian women with diverse cultural and denominational backgrounds by making meaning of texts from the Bible the Koran and the Hadith It builds on the reading and discussion of the Hagar narratives as well as 1 Timothy 2:8-15 and Sura 4:34 from the New Testament and the Koran

respectively by a group of both Christian and Muslim women Interpretative strategies and contextual analyses emerge from the hermeneutical analysis of the women's discussions on the ambiguous contributions of the texts mentioned above to the traditional views on women This book shows how intertextual dialogue between the Christian and Islamic traditions establishes an interpretative community through the encounter of Christian and Muslim readers The negotiation between a search for gender justice and the Christian and Islamic traditions as lived religions is extended into a quest for gender justice through the co reading of texts In times when gender and the status of women are played into the field of religious identity politics this book shows that bringing female readers together to explore the canonical texts in the two traditions provides new insights about the texts the contexts and the ways in which Muslim Christian dialogue can provide complex and promising hermeneutical space where important questions can be posed and shared strategies found

Possibility of Interreligious Dialogue Michael H. Mitias, 2021-04-22 Is dialogue between the major religions of the world possible If it is possible under what conditions In this book Michael H Mitias argues that it is possible provided various conditions are met These conditions include mutual respect mutual understanding and God centeredness First how can a religion that is unusually complex composed of a doctrine founded in a unique divine revelation a leadership class of theologians teachers clergy and administrators and a community across global cultures show uniform respect to another religion How can a complex institution like a religion truly understand another religion Third can the different religions worship the same God if their conceptions of God are based on their unique doctrines Mitias addresses these questions and argues that it is possible for religions to respect and understand one another Further he argues that the different conceptions of God are necessarily founded in a belief in the existence of a transcendent infinite and wise being

Tolstoy's War and Peace Predrag Cicovacki, 2024 This book consists of eight essays written by world renowned Tolstoy specialists the essays provide an in depth consideration of the central topics of Tolstoy's masterpiece Tolstoy's War and Peace explores the concepts of war and peace historical truths freedom friendship love living and dying Underlying all of these discussions is the examination of Tolstoy's preoccupation with the pursuits of truth goodness and beauty in a world replete with deceptions destructions and artificiality As a body of work these essays together suggest that Tolstoy's novel leaves room for the possibility of objective values and judgments as well as for the possibility of discerning some fundamental truths regarding the value and meaning of human life

The Lasting Significance of Etty Hillesum's Writings Klaas A.D. Smelik, 2025-10-01 The Lasting Significance of Etty Hillesum's Writings contains the proceedings of the third international Etty Hillesum Conference held in Middelburg in September 2018 It brings together the work of 33 experts from all over the world to shed new light on life works inspiration and vision of the Dutch Jewish writer Etty Hillesum 1914-1943 one of the victims of the Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts but also by introducing new

sources about her life With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism this book will be invaluable to students and scholars in a range of disciplines **The Value of the Particular: Lessons from Judaism and the Modern Jewish Experience** Michael Zank, Ingrid Anderson, 2015-04-14 In this tribute to Steven T Katz on the occasion of his seventieth birthday Michael Zank and Ingrid Anderson present sixteen original essays written by senior and junior scholars in comparative religion philosophy of religion modern Judaism and theology after the Holocaust fields of inquiry where Steven Katz made major contributions over the course of his distinguished scholarly career The authors of this volume specialists in Jewish history especially the modern experience and Jewish thought from the Bible to Buber offer theoretical and practical observations on the value of the particular Contributions range from Tim Knepper's reevaluation of the ineffability discourse to the particulars of the Settlement Cookbook examined by Nora Rubel as an American classic The Spirit in Man, Art and Literature C.G. Jung, 2024-11-01 The Spirit in Man Art and Literature offers unique and penetrating insights into the lives and opinions of some of the most significant players in the cultural life of the twentieth century Carl Gustav Jung was at the heart of that cultural life pioneering along with Freud a new interpretation of what it meant to be human in the modern age This volume reveals the full range of Jung's involvement in this process from his famous analysis of Psychology and Literature to his landmark texts on Joyce's Ulysses and Picasso's paintings Jung writes of Freud from the perspective of one who was permitted a deep glimpse into the mind of this remarkable man and through the memories and opinions recorded in The Spirit in Man Art and Literature the reader is offered a similar privilege The Transcultural Leader, Leading the Way to Pca (Purposeful Cooperative Action) Dr. Jonathan E. Smith, 2013-06-14 This book helps the leader of today to lead in a way that will energize and mobilize followers This book will provide leaders with a resource designed to guide them in their endeavor to bring people divided by cultural differences to a place of purpose cooperation and action The insights and common experiences of the transcultural leaders discussed in this book will highlight their personal attributes modes of thinking and ways they engage with others in multicultural environments thereby providing the reader with a new understanding of leadership that transcends the natural man-made boundaries of culture This work discusses the importance of understanding culture and presents characteristics of a leader who is capable of leading in this rapidly changing cultural landscape The reader is provided with a framework from which he or she can build a framework built around dialogue which leads to connection and collaboration This work will help the reader discover the heart mind and soul of transcultural leadership
