Sharon A. Hersh,2020-08 We all live with an ache a deep and inexplicable hope to belong to something more Our modern world with its disconnection and anger its entitlement and emptiness only intensifies this ache We are surrounded by people and yet we feel utterly alone in our secrets fears desires and dreams our longings can draw us toward the innate belonging and worthiness that God writes into our stories And in discovery we can start to imagine how to invite others into this greater sense of belonging Page 4 of cover **Soulful Parent-Soulful Teen** Gregory P. Sipes Ph. D.,2007-10 We all long for

someone in this world A parent a child a sibling a relative or friend A lost love Or for something A better life a better world or one s lost youth The is book is for all of them to ease their pain At parting we did not part For they remain in our heart Linger Love is an anthology of the poignant powerful and passionate poetry of Sam Brenner romanticist political activist and Poet Laureate and former Mayor of the Town of Surfside Florida Mr Brenner s poetry evokes a broad spectrum of emotions ranging from melancholy longing and anger to undying love exhilaration and joy in the beauty of our world The author recounts a vignette of a close friend who seeks his help to win back his wife s love Both the friend and wife are great admirers of the author s poetry The friend asks the author if he has a love poem that the friend could give to his wife After reflecting for a moment the author showed his friend the lead poem in this poetry book Linger Love The longing in the night lingers on Long after you are gone As of your love I m never free That longing lingers on in me I thought I could forget you And never would regret you But the loss of your allure I cannot long endure I cannot bear That you are gone **Here I**

Living Simply Joanne Heim,2010-05-19 Quality Over Quantity Means a Great Life Whew You can multitask like a pro you prove it every day But while you re used to being pulled in multiple directions that doesn t mean you like it You yearn for something more not on your to do list but in the heart of daily living Now Living Simply shows you how to make this ideal life your real life today Joanne Heim s refreshing perspective and pointed guidance address specific areas you d like to transform from family and friendships to meals and celebrations This book responds to the longings of

your heart not with pat answers but with practical solutions Never have such simple changes yielded such sweeping results Errands to run Friends to meet Laundry to fold Dinner to cook Messages to check Calls to make Gas tank to fill Lists to do Notes to self Bills to pay Dog to walk Appointments to make Schedules to keep Lunches to pack Party to plan Enjoy true abundance This is the book I wanted to write but was too busy simplifying my life I laughed out loud and am provoked to action Well done Joanne Lisa Ryan If you find yourself living a full life rather than simply living life to the fullest this book is for you Lisa Whelchel Story Behind the Book Simplicity is not just about cooking a month s worth of meals in one day or learning how to speed clean your kitchen says Joanne Heim Women long for a better quality of life but we wonder just how to get it In Living Simply I ponder what it takes to slow down and downsize while living in a culture that supersedes everything from french fries to SUVs I want more meaning and less stuff and simplicity is a means to a better quality of life Choosing this isn t about turning my back on the world or lowering my expectations but about making wise choices and finding the abundant life promised by Jesus Reviving Our Indigenous Souls Cathie G. Stivers,2018-01-26 Indigenous is neither a culture nor a people Its a way The indigenous way is the embodied ancient memory of how to be fully human and its encoded in your soul no matter who your ancestors are Hidden deep and dormant within your indigenous soul is your identity and your lifes purpose longing for you to remember them and put them into action Reviving Our Indigenous Souls How to Practice the Ancient to Bring in the New can help you do both as you learn the origin meaning and application of 31 common verbs that collectively capture what it means to be fully human visualize via illustrated appendices the interplay of the physical and spiritual aspects of your indigenous soul at work discover how ancient wisdom and timeless practices have already defined and shaped you and will forever do so follow the cues for reflection to discern the meaning that each chapter brings to your own life and engage in recommended practices to achieve success in reviving your own indigenous soul At this unprecedented time in planetary and cosmic history you are needed You are whole and sufficient gifted and powerful You are enough and you are called to go out into the world and be enough Let Reviving Our Indigenous Souls remind you of the former and guide you through the latter fear Jo Kadlec,2001-01-16 Jump on in Even with fear and trembling I think I have been learning about faith as long as I have lived in fear Maybe longer Whenever I am afraid it is because I am also believing in something unseen and like faith it too requires an agile imagination Both seem to have a way of growing bigger depending on how much attention we give them although one seems fed by truth and goodness while the other is fanned by worry and dreaded what ifs Sort of like jumping into the sea though your stomach is as jittery as the boat and you call on God out of sheer absolute desperation though you feel anything but spiritual You feel fear in fact Everywhere But somehow once your skin is submerged in water that same fear melts into a fear of God and it grips you holds you close keeps you safe Makes you new And your fear of water or of men or of loneliness or of different people or of being disabled or forgotten dissolves like ice cubes on a summer day You hardly notice the change but you drink it up and thirst for more This too like faith is a

gift Coming from the One who knew before you did that to soothe your soul was his job not yours Yours was to jump from the book Jo Kadlecek s masterful storytelling and image rich life navigates us through fearful episodes and moments of joy You will grapple honestly with questions of truth faith and spiritual freedom Kadlecek s God understands and calms fear a God at work in the inner city or poolside Join Kadlecek in finding encouragement and hope as together you comb the shoreline of fear

No Road Home Brian J. Stockwell,2011-07 Suddenly a still small voice spoke deep inside her heart and its message rang clear and true like the bell of harmony that had always eluded her Don t worry Addanen it whispered when the time is right I will give you the right words to say No Road Home tells the story of Addanen girlfriend and practical slave of notorious thief and murderer Simeon Caught between a life that she dreams of and a reality that haunts her every move Addanen struggles with the woman that she has become a faith that has no room for her a faith that provides no road home to God and the redemption that she so desperately seeks But will she have the nerve to leave her world behind When is love too dangerous to pursue and faith a convenience too expensive to afford Set within the waning days of Christ s ministry No Road Home from new author Brian Stockwell contemplates the struggle to be free and what true freedom could really mean if one soul experienced it and shared the joy of discovery with their world
