Beyond Doubt John J. Murphy, 2009-11-06 How long has it been since you held a negative thought and responded in a critical way Think carefully Consider all situations a traffic jam a slow computer an unfriendly neighbor a demeaning boss a loss of money an excessive bill a headache a defective purchase a stubbed toe a challenging child Do you find that you experience criticism and judgment frequently Do certain people and situations tend to annoy you Are you someone who gets agitated and stressed often Now stop and imagine a life of honest genuine peace deep stillness boundless joy and imperturbability in any situation Think about how people would treat one another if we all tapped into this God given right Seem impossible What an outrageous concept some might say Such a life could not possibly exist in today's world Centuries millennia in fact prove that the world is in a state of chaos Wars exist all around us Poverty is abundant Crime rears its ugly head from Wall Street to Main Street Violence is witnessed even at peace rallies and in church parking lots People pray and ask for forgiveness and then return to patterns of impatience anger greed doubt and disbelief Beyond Doubt offers a simple four step model The Ring of Peace to facilitate inner peace and joy in everyday life The model teaches the seeker how to release any hidden guilt and doubt buried in the unconscious mind thus altering perception of the world It shows people how to see and experience the wisdom and peace of God even in what might now seem like the most difficult circumstances The challenge is to overcome the resistance the human ego puts forth a battle that has been going on in the collective mind since the fall from grace Beware of this constraint learn to understand it and let it go Eternal flow and divine grace will follow Be in Spirit and you are inspired a state of mind where fear and doubt cannot abide Beyond Chance Karice

Leaving You Karice Bolton,2021-10-01 Lana Roberts always thought she grew up with the perfect parents who ran the perfect inn surrounded by the perfect family Never in a million years did she expect that her family clung to secrets like a spider to its web Lana s version of reality obviously didn t occur and it has left her shook For years she s waited for the perfect guy to swoop her off her feet but it s slowly dawning on her that there s no such thing as perfection In its place are lost dreams but she s determined to reclaim them When Lana decides to go on a solo road trip to Montana her world becomes as vivid as her wildest dreams and she learns that it s never too late to have a new beginning Jacob Miller has had it all done it all and is desperately trying to escape it all He s spent the better part of his twenties and most of his thirties playing stadiums and trying to make the road home but he s had enough and his vacation home in Montana promises to provide the peace he needs to end his career It isn t until Lana Roberts barrels into town talking about her own dreams that he realizes his aren t quite over and he hopes he can convince her that maybe the two of them could be something special but she s worried it s too good to be true Now it s up to Jacob to convince her that life can be their own kind of perfect

only as their love grows and secrets are revealed that they realize a devastating connection from their past might actually tear them apart *Remembering You* Karice Bolton,2023-12-14 It s another beautiful day at Cloudberry Inn for the Roberts sisters unless you re Vera Will she ever be able to let go of the mistakes from her past to embrace a new future Maybe if Drew North has a hand in it Vera Roberts knew she didn t have it all In fact she was quite certain that she had the exact opposite of having it all and was left wondering if her turn would ever come She d spent her life living out everyone else s dreams and was running on fumes while attempting to keep the Cloudberry Inn afloat She felt life passing her by as her other sisters seemed so certain about their roles in the world When Vera s sister Samantha finally reappears at Cloudberry Inn with her own dreams seemingly fulfilled it makes Vera begin to wonder what could have been if Vera was the one who d left the Inn and Samantha stayed It didn t help that Vera s childhood love suddenly reappeared in her life Well not him exactly but his family It was all she could do to forget that Drew North existed in the first place and now his family was busy renting out Cloudberry Inn for wedding engagements and festivities that reminded her she was alone and he was nowhere to be found When tragedy strikes Vera realizes the only way to realize her own dreams is to be brave but she knows her family needs her now more than ever and she s always done what s right Even if that means giving up on her own dreams whatever they might have been Drew North never understood his brothers fascination with happily ever after He knew it wasn t for him He had plenty to keep him busy running the Silver Ridge Resort Everything was fine He was fine Until he saw her Vera Roberts The girl he d had a crush on The girl who broke his heart and shaped the rest of his world when it came to love or the lack thereof He was totally over her So why did he have second thoughts about ignoring her message **Beyond**
